'round town

with Betty Allen...

☆

Harvey Wood called last Friday from Hamburg, Germany, to wish his father, Ray Wood, a happy birthday. Mrs. Wood, who had a few words with him too, said the connection was excellent and you could hear every word. The telephone is a marvelous invention . . . you can hear every word from Hamburg, Germany, but someone talking from San Francisco sounds like a puppy muffled in a blanket.

★ ★ ★

"Dad" Lee said Sunday was a big day for him—he was back in the saddle after 40 years when he rode in the Los Gatos Gymkhana parade.

★ ★ ★

In the department of corrections and errors, it would seem that Arthur Bringman deserves a special Grade A apology. No mention was made of him in last week's news item about the surprise housewarming given "Mrs." Bringman and that isn't the worst of it. Once before he was completely overlooked in a story in which "Mrs." Bringman bought a house. The only fair thing will be to run a story devoted exclusively to "Mr." Bringman.

★ ★ ★

The staffs of weekly newspapers throughout the country are no doubt enjoying the picture and cartoons in last week's Saturday Evening Post by Norman Rockwell which depict typical occurences in a weekly newspaper office. Anyone want to donate a good frame?

★ ★ ★

Miss Junice Benson did a patriotic and artistic job of window decorating for Poppy Day in the display window of Benson's Campbell Cleaners.

★ ★ ★

Robert Fairchild, son of Mr. and Mrs. Leslie Fairchild, must have received a scorching letter by now. Seems he's in the Maritime Service and was due home any time when his mother received a letter from him saying he was still in Bremer-hoven, Germany, having missed his boat home.

★ ★ ★

There's a regular epidemic of house moving going on. In addition to the house next to the library which is to be moved soon, the one, two houses down, next to Conley Real Estate Co., will take to wheels also in the next few days.

★ ★ ★

Better than the Pied Piper was Jo-Jo, Bob Garcia's spider monkey who collected a crowd of children by just sitting on Ray Olson's shoulder one day last week on Campbell Ave. They appeared from everywhere as if by magic.

★ ★ ★

If this column seems to dwell on the subject of gophers, it must be because of the season. The gopher story this week deals with Mrs. S. G. McKenney who was in her garden which was neatly decorated with gopher traps. To her amazement she saw one of the gopher traps start going down a hole. Indignant and outraged, she started digging after it with her bare hands and managed to grab it. The gopher tugged from the other end but she won and pulled up the trap and a gopher who was, by that time, quite dead. Mrs. McKenney is by way of being a champion—her record with her traps is six gophers in two days.

Leave for Two Months' Trip

Mrs. William Noyer left Campbell last week for a two months' tour which will take her as far east as New York City.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Fire Alarm System Improved

Culminating the efforts of a year, the Campbell Board of Fire Commissioners announce that three fire alarm switches have now been installed, giving residents full 24 hour protection. When the fire department telephone number, Campbell 3324, is dialed, it will ring simultaneously in three different places, all equipped with a switch to the fire siren.

In the past if there has been no one at the fire station or the Campbell Water Co., the ring has gone unanswered, but under the new system, at the same time the telephone rings in the fire station it will also ring in the home of Ethan Lanphear, chairman of the Board of Fire Commissioners, and at the residence of Jack Scott, fire chief.

In the event the ring is not answered in the fire station and it can be answered by either Lanphear or Scott. If the call is a report of a fire, either man can immediately switch on the siren, calling all volunteers to the fire station. This will save precious minutes, for in the past the siren could be turned on only at the fire station.

The Board of Fire Commissioners, composed of Ethan Lanphear, Edword C. Merrill and Fred E. Jones, are hopeful that the new innovation will eventually lower fire insurance rates here.

Proposed Airport Refused By Planning Board

The Santa Clara County Planning Commission last week rejected application of John R. Lahey, Mozart Ave. property owner south of Campbell, for a permit to establish an airport on his land after more than 40 adjoining residents complained bitterly the port would constitute a safety hazard.

The airport plan was endorsed by the Los Gatos Chamber of Commerce and Mervyn Davenport, former transport pilot, who said he planned to field at least 30 planes on the site and that between 50 and 60 flights daily would take off and land at the port.

The Commission found that the longest possible runway Davenport could establish would be 1400 feet, while CAA regulations for a Class One airport prescribe an 1800-foot runway, and that while the port site contains only 17 acres, CAA requires at least 40 acres for a port of Davidson's classification. To operate 30 planes, a 45-acre port would be required.

The Commissioners however, did promise Davenport that when the County's Master Airport Plan is formed, he will be given first consideration on application to locate an airport in the Los Gatos area.

Steindorf Named Alternate

Frank Steindorf, Campbell, has been appointed an alternate from the San Jose area to two-year terms on the State Program Committee Marketing Program for Prunes, it has been announced by the State Department of Agriculture.

Others appointed include Dominic DiFiore, San Jose, member; Joseph Battaglia, San Jose, alternate; D. A. Catania, San Jose, member, Vic Tikvica, Sunnyvale, alternate; Lewis W. Armstrong, Almaden, member; Robert A. McArthur, Cupertino, member, William Herwig, Sunnyvale, alternate; Stuart Fletcher, Gilroy, member, Frank Barberi, Gilroy, alternate; E. H. Sharp, Hollister, member, W. B. Saunders, Hollister, alternate.

New Principal Named At High School

Laurance J. Hill, vice-principal of San Jose High school will replace James Dent in the fall as principal and district superintendent of the Campbell Union High school. Dent has resigned to become principal of Vallejo High School and Junior College.

Hill, selected by the Campbell School Board of Trustees, has served for 14 years in the San Jose school system. Before becoming vice-principal at San Jose High school, he was principal of Willow Glen school for nine years; taught mathematics at San Jose High school for one year; was vice-principal at Abraham Lincoln High school for two years; and for a year previous to his present at San Jose High school was vice-principal and dean of boys. He is now, in addition to being vice-principal, in charge of curriculum and guidance.

Dent also was, at one time, vice-principal of the San Jose High school and also taught mathematics.

Hill has taken an active part in teachers' associations and in youth work. He is one of the originators of the Willow Glen Youth Center and served as chairman of the building committee. He is also a past president of the Loyal Knights of the Round Table and the San Jose Schoolmen's Club. At present the future Campbell principal is legislative chairman in the Eighth Congressional District for the National Teachers' Association. He is also the San Jose Teachers' Association representative to the California Teachers' Association, appointed to fill out the term of the late Superintendent Walter Bachrodt.

In addition to these activities, Hill has taken an active part in community drives and Boy Scout work.

What About The Post Office?

Although no official word has come from the Postal authorities to Ira Grim, postmaster, Campbell residents were busy this week putting two and two together to get the answer of the new post office location. The date for moving from the present site has been extended from August 1 to December 1.

Biggest clue to developments is the moving of the house next to the library, owned by John Lyndon. Work started on Monday to raise the house from its foundation in order to have it trundled away to its new location someplace on Page St. Mr. and Mrs. Bude Little and their five children, occupants of the house, stayed with friends for a few days, but the contents of the house were left intact during the move. Anderson Brothers of Mt. View did the moving.

The other potential post office site at the corner of Fourth and Campbell has been leased by V. J. Foudray and C. D. Goodwin for the operation of a used car lot. Both are local men and already have several cars in the lot for Bros. of Mt. View did the moving.

Water Company To Remain Open at Noon

For the convenience of the fruit workers, the Campbell Water Co. will remain open during the noon hour beginning June 1 and continuing through September. The office is customarily closed from 12 to 1, but through the new arrangement will open from 8 a. m. to 5 p. m. continuously.

Card Party Planned

St. Lucy's Evening Guild has planned a card party for the evening of June 8 at 8:30 in the Parish hall. Refreshments will be served.

Polling Places Are Listed For Coming Election

Campbell Election Precinct No. 1
Polling Place — Townsend res., N. Union Ave.
Inspector—Edna Flagg.
Judges—Dorothy Wright, Bertha Jensen.
Clerks—Ellen Tutt, Ella H. Elkey, Mary H. Blair.

Campbell Election Precinct No. 2
Polling Place—IOOF Hall, 1st and Campbell.
Inspector—Jeanette M. Grizzle.
Judges—Martin E. Crim, Flora Hughes.
Clerks—Mary F. Cousins, Hazel Bab, Edith L. Soutar.

Campbell Election Precinct No. 3
Polling Place — Campbell High school.
Inspector—Pauline Q. Clark.
Judges—Ann Merrill, Virginia Howard.
Clerks — Estella F. Kilgallin, Marie Suess, Thelma P. Aker.

Campbell Election Precinct No. 4
Polling Place—Hotel, 29 Campbell Ave.
Inspector—Ellen L. Lanphear.
Judges—Edna F. Smith, Winnie G. Grizzle.
Clerks—Iva M. Rost, Claudine E. Hancock, Dorothea K. Sevrens.

Campbell Election Precinct No. 5
Polling Place — 66 N. Central Ave.
Inspector—Eugene I. Scott.
Judges—Eva M. Grattan, Evelyn B. Scott.
Clerks—Frances F. Harris, Bertha J. Greene, Josephine V. Souto.

Campbell Election Precinct No. 6
Polling Place — 1609 Willowhurst.
Inspector—Herbert A. Butts.
Judges—Isabel C. Price, Pearle L. Leigh.
Clerks—Bertha Farnham, Frances H. Davis, Emily McConnell.

Campbell Election Precinct No. 7
Polling Place—Campbell Hatchery.
Inspector—Arva M. Knowles.
Judges — Grace E. Vangorkom, Helen P. Robertson.
Clerks—Mina Williams, Eva W. Booker, Agnes C. Rucker.

Moreland Election Precinct No. 2
Polling Place — Moreland Hall, Payne Ave.
Inspector—William Noethig.
Judges—Genevieve Van Arsdell, Almira Peach.
Clerks — Irene Hansen, Myrtle L. Smith, Frances K. Owen.

Hamilton Election Precinct No. 3
Polling Place — Downing res., cor. S. J.-L. G. Rd. and Downing.
Inspector—Anna M. Downing.
Judges — Anna Lyle Locke, Ruth Priestley.
Clerks—Marion Mullins, Alletha Place, Bertha Raab.

Hamilton Election Precinct No. 1
Polling Place—103 Meridian Rd.
Inspector—Mildred K. Husted.
Judges—A. Leon Keesling, Ida F. Skow.
Clerks—Lulu C. White, Juanita Nolta, Mrs. O. C. Blank.

Union Election Precinct No. 1
Polling Place—Cambrian School. S. J.-L. G. Rd. at Casey Rd.
Inspector—Marie K. Hendricks.
Judges—L. E. Hendricks, Wilma J. Weltz.
Clerks—Lillian M. Nelson, Rose E. Hanger, Dorothy Brasch.

Union Election Precinct No. 2
Polling Place — Union School, Los Gatos-Almaden Rds.
Inspector—Cora Todd.
Judge—Carrie A. Davis.
Clerks—Roberta Riley, Catherine Downing, Freida Barrett.

Constable and Justice To Be Elected Tuesday

School Bonds Pass By Small Margin

The Campbell school bond issue passed last Friday by a narrow margin, with only 8 votes above the necessary two-thirds majority. Six absent voters' ballots will be counted at the official canvas today, but will not alter the decision. Outlying districts carried the measure, while the town precincts was slightly under the two-thirds majority. Total vote was 752 to 363.

Through the $325,000 bond issue, two new school buildings for the elementary school to accommodate pupils in the first six grades will be built. One will be located in the northern and one in the southern end of the district.

A bond issue for the Moreland school district was voted on the same day and carried by 134 to 27. In the amount of $68,000, the funds will be used to replace the 50-year-old school. PTA members and their families celebrated the election with a barn dance in the school cafeteria Saturday evening.

Local interest in Tuesday's election will center in the election of a Town Constable and Justice of the Peace. Three contestants have entered the race for each position and all six candidates are well known locally.

In the contest for Justice is the incumbent, John D. Blaine, who has served for five consecutive terms. Blaine is also a member of the Campbell Union High School board of trustees. Another candidate for the office is Frank Weeks, former night watchman here and a member of the Campbell Post of the American Legion and the Campbell Chamber of Commerce. Martin S. Walsh who is also in the race for the position is a praticing attorney, a member of the Campbell Kiwanis Club, the Orchard City Grange and has served for many years as secretary of the local Chamber of Commerce.

It is the duty of Justices of the Peace to handle civil cases up to $300 and small claims of $50 or under. The Justice also holds court in matters of ordinary misdemeanors such as petty theft, traffic cases and disturbances of the peace. In cases of felony the Justice holds a preliminary hearing. Justices may also, dependent upon their wishes, engage in probation and crime-prevention work.

Running for the office of Town Constable are Ethan Lanphear, L. "Dad" Lee and Harry D. Evans. Constable since 1941, Lanphear is running for re-election. A long-time resident of Campbell, he operates the Campbell Hotel, is a member of the Kiwanis Club, secretary of the Board of Fire Commissioners, member of the board of directors of the sanitary district, and is a past president of the Community Council.

Evans, who was elected Constable here in 1938, was called into the Navy in 1940 and served in the South Pacific for over three years. He returned to Campbell last year and has been serving as night watchman.

Third candidate for the office is L. "Dad" Lee who has a colorful history of life on the plains during frontier days and a tour of Europe as a crack shot with Buffalo Bill's Wild West Show. His campaign slogan is "The Old Scout Rides Again."

Among the duties of the Constable is the handling of the criminal and civil work in the town. A law-enforcement officer, he is on call 24 hours a day and a large part of his time is taken up with the serving of warrants.

Celebrate Golden Wedding

Friends and relatives joined Mr. and Mrs. Florence E. Dano Thursday at an open house to celebrate their golden wedding anniversary. More than 75 people called during the day at their home, 61 N. Central, to offer congratulations.

Mr. and Mrs. Dano were married May 30 in Riceville, Iowa, but have been residents of California since 1917. At one time they had a weekly newspaper before coming West. Mr. Dano, a retired linotype operator, was employed by the San Jose Mercury Herald for 25 years and still likes to keep his hand in with an occasional day's work.

The couple have two daughters, Mrs. B. L. Stanton of San Jose and Mrs. Leslie Page who is spending the summer with her husband in Minnesota and was unable to be here for the half-century celebration. There are also four grandchildren, three boys and a girl.

Campbell residents for the past three years, Mr. and Mrs. Dano moved into their present home only last September and have already turned the back yard into a perfect setting for their hobby of cactus growing. The large cactus garden boasts more than 300 varieties of cactii and over 100 varieties of succulents.

Many of the cactii come from all over the world and because of the large number growing in their yard, the Danos always have some in bloom. Among their rare species are two night blooming cactii one of which has blossoms which measure 12 inches in diameter. Mr. and Mrs. Dano are always happy to show their hobby to visitors and to explain the habits of these rare plants.

San Tomas Improvement Club Holds Successfu First Meeting

Over 50 San Tomas residents attended the first meeting of the San Tomas Improvement Club held last Thursday evening at the home of R. R. Trewin, president of the group. J. R. Woods spoke to the members on the aims and purposes of the newly-formed organization, and William Henley, Campbell Elementary school principal, talked briefly about the school bond election.

Goes Fishing

Last Thursday Leslie R. Applegarth celebrated his discharge in a long-dreamed of way—he went fishing. A former TM 3/c in the Navy, Applegarth has served for two and one-half years, most of the time in the South Pacific. The son of Mr. and Mrs. Leslie Applegarth, 173 Sunnyside Ave., he was attending Campbell High school at the time he entered the service.

Los Gatos Wins Valley Meet by Hair's Breadth

Campbell Union High school lost the Valley Athletic League track and field championship by the narrowest possible margin last Friday at Los Gatos. The Los Gatos Cats chalked up 66½ points against Campbell's 64. Distinguishing themselves at the meet were Dick Villafuerte, Harold Orcutt, Dick Cotta and Don Irvin.

Purchase Home

Mr. and Mrs. E. F. Ballot have purchased a home on First St. from the estate of Jessie L. Lewis, who occupied the house until her death several months ago.

EDITORIAL

On Tuesday we nominate men for the office of Town Constable and Justice of the Peace. The six candidates running for these offices are our friends and neighbors. We know them, if not personally, by their records and their accomplishments.

In voting for men to fill these positions we must overlook any prejudices and think only of their abilities. Let us try to choose men with sane judgment, men who are able to see both sides of a question and who have demonstrated by their past actions that they are progressive in their thinking.

No man is able to please everyone, but he can go a long way towards it if he sincerely has the interests of his community at heart and practices the principles of democracy.

It is to be hoped that everyone eligible will accept the great privilege and responsibility that is waiting at the polls on Tuesday. A man who laid in a fox hole fighting for this great principle would not have much use for anyone too full of inertia to get to the polls.

Earl Warren for Governor

Editor:

I believe Governor Earl Warren is one of the most outstanding progressive liberal governors representing the people of any state in the United States. I mean by this he does not lean too far to the left or too far to the right, for any group of people. His views and ideas are fair to labor and business. He stands for modern progress in education, public health and the social welfare of the people as a whole. He believes in business and capital receiving a fair margin of profit on their investments, and labor receiving a just and fair wage for their work. On the whole, Earl Warren is a wonderful governor. Let's elect him governor again on June 4.

DREW PEARSON

THE NAVY'S BUREAUS

WASHINGTON — If Secretary of the Navy James Forestall wants to head off the Army-Navy merger, he might do some merging in his own department. As it is, some of his reserve officers are about ready to believe the Army is right.

Perhaps because the Navy is suffering from admiralitis (too many admirals), Forrestal has set up a special duplicating public relations co-ordinator. This bureau does exactly what another bureau also does. Chief difference betwen them is that one is on the first floor (deck in the Navy), the other on the third floor, one is commanded by a vice admiral, the other by a rear admiral; finally, the rear admiral takes a few hours to do a job while the vice admiral sometimes takes a few days.

Hitherto, Navy public relations have been handled by efficient young Rear Adm. "Min" Miller, one of the up-and-coming youngsters in the Navy. If you need a speaker for a naval rally, want to stage an air show, or have a ship visit your city, Miller usually has been able to arrange it in a few hours.

But now, Vice Adm. Arthur S. Carpenter, newly appointed co-ordinator of public relations, sit in naval splendor with a staff of five senior officers, a large force of junior officers, and a small army of WAVES and enlisted men.

★ ★ ★

THE BALKY SWISS

Insiders say that Switzerland, the little nation which posed as the benign and friendly neutral, is now displaying the same tactics as the Capone gang in hanging on to Nazi loot.

The secret negotiations now going on in Washington to recover Nazi gold from Switzerland have been carefully guarded, but it has leaked out that Switzerland's policy is to keep all the gold which the Germans stole from France, Denmark, Belgium and other occupied countries and sent to Switzerland for safe keeping.

Like the Capone gang, the Swiss won't return this looted gold to France, Denmark, Belgium and other countries from which it was stolen.

Despite all this, some treasury officials urge a lenient policy toward the Swiss. It happens that they have $1,500,000,000 of assets now frozen in this country including $500,000,000 in gold, and the French are preparing to clap a lien on these assets. Some treasury officials, however, are opposed.

Not so, however, sage Secretary of the Treasury Fred Vinson, who remembers all the Swiss collaboration with the Nazis during the war.

"Down in my state," drawled the Kentuckian, when you bet on the wrong horse, you pay off. The Swiss bet on the wrong horse."

★ ★ ★

VETERANS COME SECOND

Young GOP Rep. James G. Fulton of Pennsylvania, a Pacific war vet, did some vigorous protesting about the way veterans are being "stood up" on surplus war goods when he called at the White House.

"Veterans are just not getting an even break in the present setup," he told the President.

The Pennsylvania congressman also gave Truman some inside slants on RFC purchases of abandoned property which would warrant congressional scrutiny. He reported that no effort is being made to sell Army and Navy equipment piled helter-skelter in and around a Pennsylvania glue factory purchased by the RFC in May, 1945, for use as a surplus property depot.

★ ★ ★

RED ARMY WITHDRAWS

The inscrutable Russians have a way of refusing to do something when asked and then going ahead and doing it when not asked. For instance, Secretary of State James Byrnes has been hammernig at the Russains to reduce their troops in the Balkans, Austria and Hungary.

Among other things he has warned that the United States won't send food into these countries while tremendous Russian armies are living off the land, in effect taking away the food we send in.

Foreign Commissar Vyacheslav Molotov, however, has turned a deaf ear to Byrnes' plea. He has been just as stubborn on this as about most things.

But here is the payoff. U. S. representatives in Vienna have wired the State department that the Red army has started a large scale withdrawal from Austria. There is no explanation, and State Department officials are mystified as to the reason.

★ ★ ★

UNDER THE DOME

Democratic National Committee Chairman Bob Hannegan tried to submit his resignation to President Truman last weekend, but was turned down cold. Hannegan's wife and doctor are both urging him to resign. However, the President told Hannegan he could not be spared, at least until after the November elections. . . . President Truman has asked Secretary of the Interior Cap Krug to set up an inter-departmental committee to handle oil problems.

Supervisors To Hear Rezoning Denial

June 17 is the date set for the hearing by the County Board of Supervisors of a denial of the County Planning Commission of application of M. S. Keesling for re-zoning a section along the railroad near Hamilton Ave. into an industrial zone. Keesling had applied for a change in order to build a dehydrator on the property which would employ approximately 100 people. A strong opposition was voiced to the change by residents who feared the presence of unpleasant odors; however, Albert Puccinelli, who would be manager of the proposed plant, has stated that no products with odors would be run through the dehydrator.

Mathises Come To Vote

Mr. and Mrs. Ray Mathis are in Campbell and will remain until after election day before returning to Idylwild.

Herbert Hoover was the first president of the United States born west of the Mississippi River.

Zenetta Council

Zenetta met in the Redman Hall, Los Gatos, Wednesday, May 22, for their regular meeting and the nomination of the following officers: Prophetess, Margret Lochner; Pocahontas, Lydia Buonaccorsi; Wenonah, Lena Shelton; Powhatan, Johnny Boitano; keeper of records, Margaret Hooton; keeper of wampum, Helen Sturla; collector of wampum, Lena Panighetti; third trustee, Laura Sporleder; and musician, Marjory Weltz.

Birthday night was celebrated by the following: Midge Lochner, Rose Barone and Mrs. Hooten.

We had a welcome visitor, Margret Booth, our zone chief, who trailed with our District Deputy Merie Cassarang from Tawacca Council.

Refreshment committee for next meeting are Johnny Boitano, Albert Panighetti and Harry Boone.

Thompson Endorsed by Legion Legislative Committee

Assemblyman Jack Thompson, San Jose's veteran member of the California Legislature and candidate for re-election, today received the endorsement of the American Legion Legislative Committee for his support of all measures in behalf of the returning members of the armed forces.

"It was very pleasant to know that we could always depend on you to assist in the accomplishment of the legislation on behalf of veterans.

"As a result of the action by the State Legislature, California can be proud of the fact that it is the leader of all States in the Union in veteran legislation. I am sure that this is as gratifying to you as it is to us. Your part in accomplishing this result should not be overlooked.

"You were one of our most staunch supporters of constructive veteran legislation."

Members of the American Legion, who are active in Assemblyman Thompson, campaign, point out that he comes from a family of veterans having served in the Merchant Marine in World War I. His brother was in the Navy during the recent conflict, while his son served the greater part of fours years in the Navy in the Sauth Pacific. A son-in-law was on the famed carrier Saratoga.

Completing the Thompson sage of war service—a daughter-in-law was a Canadian WAC.

Visit in Pasadena

Mr. and Mrs. Guy Farley left Thursday for Pasadena to spend a few days with their son and his wife. The trip, originally planned via train, was hastily switched to car travel.

Mrs. Purmort in Hospital

Mrs. Mark Purmort suffered a broken hip when she fell getting out of the family car one evening last week after she and her husband returned to their home from the theater. She is a patient at the County Hospital and is able to see her friends there.

Reunion Planned For Clovis Graduates

June 14, 15, and 16 are the dates for the reunion of Clovis High school graduates which is held every ten years in Clovis. Mrs. L. E. Garcia, a graduate, is planning on attending, and Ralph Noddin, another graduate, hopes to be present.

Navy Man In China

Mr. and Mrs. George Jeffers have received word from their son, Rex E. Jeffers, U.S.N., that he is now in Tsingtow, China. He is serving aboard the Destroyer Tender U.S.S. Sierra.

Charles W. Lyon
for
Lieutenant Governor

He has served 12 years in the State Senate and 18 years in the State Assembly of the California Legislature.

Senator Lyon has been Speaker of the Assembly during nine special sessions and two regular sessions.

He was co-author of the old-age pension law, co-author of bill establishing medical school in Los Angeles as part of U. C. L. A., and leader of the Economy Bloc in the 1940 special session of the Legislature.

Endorsed by the Young Republicans of Santa Clara County.

For

CONSTABLE

This will be my last word to you before the election on Tuesday, June 4th. There is not much that I need to say, any further than I have said. I want to emphasize one thing more: that Campbell can not afford to hire a full time police officer with the pay involved, but I will give you full time services in my situation, as I see a desperate need on our streets every day for someone to guide your children, and all of our children, and also the old aged and infirm. These things, I pledge I will do my utmost to do honorably and efficiently.

Having lived here about 8 years, I think I know more of our juveniles than any one man of our township, I converse with them most every day, some of them. Just turn around and ask one of your children if they know Dad Lee. Those are the elements that I wish to protect.

I have made no canvasses or direct solicitation of votes from anyone—consequently I have made no promises or any insinuations—that would lead somebody to think that I was crying for the job.

Referring to old age, it seems to me that at the time of Christ's birth, God looked down upon the earth and he found three old men—shephards—in the fields. He saw at that time that they were trustworthy and he appointed them as his deputies to proceed. For illustration and authority, God set aside a star. This, in my estimation, was the first mention of the star of authority in the world's history. It was a guiding star, and a safeguard to the world at that time. Now, those three old men carried out God's command and they found these things to be actualities. From that time on, the star of authority has never been used, and never should be used, for abuse of authority, but with common sense administered by matured brains.

Now, coming to more recent times, in fact, our own period of time. There was a case in an eastern state that was one where an aged man was a police officer in his community. Directly across the line from his authority was a younger man. The elderly man at that proceeded to do his duty and caught up with his prisoner. The younger fellow came along and there seemed to be an about authority as to which one was to take the prisoner in. (This is authentic.) After a few arguments the younger man up and shot and killed the prisoner, with the result that there was a court case carried on from the lower to the higher courts and finally it came to the supreme court, with the decision 4 to 1 in favor of the old man's matured mind and ability, and the younger man was accused of criminology for which the decision did not specify what the sentence would be.

That, I believe, will establish that there is nothing against my old age. I have never done anything out of the way and I have been an authority in a great many places and for many years. Weigh these two elements and see if my age is to be barred against me. I am an American citizen, born and raised on the premises, having had 18 years of my early life given to my country for the benefit of immigrants crossing the plains in the early days, without one cent of remuneration. Now my opponents set up their eligibility to the effect they are ex-service men. We have now nearly seven million ex-service men. I don't believe we will find one of the ex-service men that want to disqualify a man of matured age, just on account of age, to deprive him of his method of making an honest livelihood. That, I believe, comes under our constitution.

Thanking you in advance, I feel definitely sure that I will become your obedient servant on Wednesday morning, June 5th, 1946. Command, and I will obey.

Yours very truly,
LOUIS "DAD" LEE,
The Old Scout.

Kiwanis Club Meeting

At the Kiwanis meeting, May 28, Paul Becker gave an interesting talk on the invasion of Germany, stressing in particular the ingenuity of the Yanks in meeting emergencies. One case was the use of shredded tin foil released from a plane to disrupt German radar operations while it floated through the air. Another was a recording of tank operations sent out over a loud-speaker system, taking enemy attention away from actual advance area.

He gave highlights on the interesting and comic happenings in the war as well as the tragic side, telling of the effects of various types of bombs on the morale of the soldiers and how, with one type, duties were carried on with little or no attention paid to them.

Becker described the operations of the "Red Ball" highway which carried supplies in an endless chain of trucks in pitch darkness night after night from the beach landing to Patton's army.

Visitors from San Jose club were Joe McKinnon and Herb Erickson, from Los Gatos W. A. Capener and Cecil Spotswood. Guests were Tom Graham of San Jose and high school students Ruby Simmons and Doris Raggio.

Next week the meeting will be held on Monday rather than Tuesday and the program will be furnished by the A Cappella Choir from the high school. D. H. Cramer will be chairman.

Next of Kin of Overseas Dead Urged to Give Change of Address

The War Department appealed to those who during the war received notice of the death of a relative in the armed forces overseas, to inform the military service to which the deceased was attached if they have changed their address in the United States since the date the notice of death was first received. Notice of this request was made by Brig. Gen. Milton O. Boone, commanding the Lathrop Army Service Forces Depot, Stockton, who urged persons concerned in this locality to help in the program.

The War Department's request for present addresses of next of kin is made also on behalf of the Navy Department, Marine Corps, Coast Guard, Red Cross and War Shipping Administration. The War Department has been authorized by Congress to ascertain the wishes of legal next of kin concerning the return and final burial of World War II dead of all military services.

Within the next few weeks General Boone said the War Department will mail to the last known address of next of kin of overseas deceased of the Army and the two civilian agencies a letter requesting information regarding their wishes for final burial. Similar letters will be mailed by the Navy Department, Marine Corps and Coast Guard to next of kin of deceased personnel of those services.

The following suggestions regarding correction of present addresses are made by the War Department:

To those next of kin who received notice of death from the War Department, the correct present address should be mailed at once to: Memorial Division, Office of the Qartermaster General, Washington 25, D. C.

Next of kin who had relatives who died in the service of the Navy, should mail their correct present address at once to: Bureau of Medicine and Surgery (EDC), Navy Department, Washington 25, D. C.

A dream-come-true home in the Cape Cod tradition—one of the new Post-War All American Homes. "L" shaped living room and dining room give feeling of spaciousness amplified by French doors opening on a side porch. The well planned kitchen includes many built-in cabinets. Another first floor room may serve as bedroom, study or music room—while two larger bedrooms occupy the second floor with generous closet space storage room, and main bath. These plans meet FHA requirements.

Graham Endorsed by Slav Voters League

Thomas G. Graham, Undersheriff of Santa Clara County for the past eight years, and candidate for Sheriff at the June 4 primary election was endorsed unanimously by the Slavonic American Progressive Voters League at their regular meeting at the Napradeck Club house last week.

According to Steve Dorcich. president of the organization, the voters league endorses candidates for county and state offices which they consider best qualified for the position to which they aspire.

"Mr. Graham is most certainly entitled to a promotion, because of the untiring efforts he has devoted to his post as undersheriff," Dorcich said.

His name was brought before the league by Nick Lepesh and there was not a dissenting vote.

Trip To Reno and Tahoe

Mr. and Mrs. L. R. Austin, Sunnyside Ave., spent the weekend of the 25th vacationing at Reno and Lake Tahoe.

READ THE CLASSIFIED

Through the courtesy of The Carmel Pine Cone we are reprinting for you the following poem written by The Pine Cone's poetry editor because we believe it has meaning for all of us at this time.

BREAD

Now the dread bombs are silenced, but the spectre of death
Walks the wrecked fields—and there is no bread.
The grass flares in the sun and the rash flowers
Grow in the tank-wheels where they ground to a stop.
Peace is a bird with a bleeding wing.
Peace has no song for there is no bread.
The children screamed in the night. It was horror enough,
But now they lie starving. The little thin bones
Speak without words. The fever-bright eyes
Search the slow conscience through ten thousand miles.
Famine has fangs more deadly than the sword.

Say to complacency: this guilt is ours.
We have no further plea of time or space.
Speed has dissolved this plausible excuse.
The whole world's misery lies beside our door.
Hunger is now. There is no bread, no bread.
Pain is imperative. The dying cannot wait.
To waste a crust is blood upon our hands.

—DORA HAGEMEYER.

Veterans News

The Veterans Administration's first mobile units left San Francisco Monday, April 27, on a 37-day tour to take "home service" to ex-servicemen of Northern California.

Two large busses, converted into mobile offices and staffed with eight trained advisors, will visit 22 towns in 16 counties during their 3600-mile swing through this State's rich mining and lumbering country. The units will give advice and service on every variety of veteran's problems, including educational and vocational training benefits, pensions and compensations, loans, insurance, hospital and domiciliary care and burial allowances.

The unit is equipped to take fingerprints, to administer oaths, to give mental aptitude tests for vocational and educational guidance, and to prepare all necessary forms for submission to the San Francisco regional offices.

Col. Thomas J. Cross, acting deputy administrator of VA for California, Nevada and Arizona, officiated at inauguration of the mobile service Monday morning at Veterans Hospital, Fort Miley.

"California has been designated by the central office in Washington as the testing ground for this new mobile service," the Colonel explained. "Some 35,000 ex-servicemen are working in the mines and lumber mills of this State. The units will establish direct liaison between the veteran with his problems and the regional offices of the Veterans Administration.

"We believe the veteran in remote areas must have the same opportunity of presenting his problems to trained advisors as the ex-servicemen in larger communities."

Veterans desiring to avail themselves of the mobile unit's services are advised by Col. Cross to bring with them the originals of their military discharge papers and copies of whatever communications they have previously had with the Veterans Administration.

First stop on the long itinerary was Cloverdale where the unit remained two days, April 29-30. The itinerary includes Lakeport May 1; Ukiah May 2; Willits May 3; Fort Bragg May 4; Laytonville May 6; Garberville May 7; Eureka May 13; Wed May 14; Dunsmuir May 15; Weaverville May 16 and 17; Red Bluff May 18-20; Fall River Mills May 22; Alturas May 23-24; Westwood May 27-28; Quincy May 29-30; Oroville May 31; Marysville June 1-3; Woodland June 4; and Fairfield June 5. Crescent City May 9 and 10;

While evening office hours will be held in all communities, Col. Cross pointed out that employers can cooperate effectively with this government attempt to contact the veterans by giving men the time off necessary to visit the mobile units.

Ryder Supporters Meet

"Harry E. Ryder, candidate for coroner, with seven years experience in the coroner's office, is getting support from people who demand public officials with proper training."

This is the report that Ryder supporters heard from Donald Kelly, who is active in the Ryder campaign, at a meeting at the home of A. L. Bowen, San Jose-Los Gatos Road, Campbell. The meeting was attnded by the candidate.

"The public is no longer fooled by political speches and promises made by untrained candidates running for office," Kelly said. "They want to know first of all what training a candidate has had for the job.

"In this respect, they find that with the record made while in the office as your deputy, Mr. Ryder is able to back up everything said in his behalf for his election as coroner. He handled more than 3000 cases during his seven years in office, and has been trained by the FBI."

Ryder made a brief talk explaining some of the duties of the coroner. He explained that the coroner has the duty of investigating the means of death in any case where death is sudden or violent, and that this investigation is very important in criminal cases.

This investigation is independent of any by the sheriff or other official, Ryder said, and guarantees a "double-check" in all suspected cases of foul play—provided there is an experienced man as coroner.

LET'S KEEP A GOOD GOVERNOR

Vote for EARL WARREN June 4

What the Voters Say:

John Q. Public—I am voting for Earl Warren because he has been honest and courageous.

Veteran—I am voting for Earl Warren because, as a veteran, he understands the problems of the veterans in finding jobs and homes.

Woman Voter—I am voting for Governor Earl Warren because he has carried out an unlimited program for welfare and health.

Labor—I am voting for Earl Warren because he has been a true friend of labor. On his record he has won the endorsement of the State Federation of Labor, A. F. of L.

Business Man—I am voting for Earl Warren because he has put the State government on a sound business basis and reduced our taxes.

Farmer—I am voting for Earl Warren because he understands the problems of the farmer—he is always mindful of the farmer's needs.

A GOOD GOVERNOR FOR ALL THE PEOPLE!

The only candidate for Coroner trained by the F. B. I. with over 3000 cases handled in office as your deputy for 7 years.

(June 4th)

Public Administrator

This office is combined with that of Coroner. It is an important job, but the Public Administrator has legal advice at ALL times and can act only when the court approves, according to law, therefore, it requires no special training.

CORONER

This job is the most important. Your Coroner must investigate ALL sudden and violent deaths in the County and in more than half of the cases, is the ONLY officer present.

If your Coroner has not been trained in criminal investigation work how is he to know murder from natural death?

Elect Harry E.

Ryder

Coroner

Navy Man Receives Discharge

Joe Prestigiacomo has received a Navy discharge at Camp Shoemaker on May 28. He returned in October from overseas after 16 months service aboard the famous USS South Dakota, flagship of the Third Fleet.

A graduate of Campbell Union High School, the former radarman was working on his parents' ranch before entering the service. He is the son of Mr. and Mrs. S. Prestigiacomo, Winchester Road. A picture of his mother greting him in San Francisco on his return from overseas appeared in the San Francisco Call-Bulletin and the Campbell Press.

The Hard Way

A little girl was studying in school about the Indians. She learned that they ground their grain by pounding it with stones, that they made clothing and shoes out of skins of animals, that they sat on dirt floors, that they cooked over a fire on the ground.

"I'm sure the Indians were very nice people," she said to her mother that night, "but they did everything the hard way!"—Exchange.

Asa V. Call

Francisco, vice-president and general manager of the Western Pacific Railway, was elected first vice-president of the State Chamber at the initial meeting of the new board of directors.

James E. Shelton, chairman of the executive committee of the Security-First National Bank, Los Angeles, was elected second vice-president at the same meeting. Adren J. Falk, San Francisco, vice-president and general manager S. & W. Fine Foods, was chosen third vice-president. Harrison S. Robinson, Oakland attorney, who retired after two years service as president, became treasurer.

Call, born in Los Angeles and a graduate of University of Southern California, was admitted to law practice in 1914, and is a director and general counsel for several leading statewide business organizations. He is vice-president of the University of Southern California, and for years was a director of the California State Chamber of Commerce.

Agronomy Field Day Attended at Davis

Mr. M. S. Beckley of the Agricultural Extension Service, George Theobald, Albert Dutton, Reid Lockhart and Charles Kent of San Jose, attended the Field Day in Agronomy at the College of Agriculture, Davis, on Friday, May 17.

A full day was spent in reviewing the test plots of the Agronomy Department, which included 15 varieties of wheat, 8 varieties of barley, 10 varieties of oats, 15 varieties of alfalfa, 12 varieties of flax and over 50 varieties of forage and pasture grasses. To develop strains of disease resistant varieties is the main objective of the Agronomy Department at Davis, as well as to develop increased yield.

Outstanding results in wheat are the White Federation 38 and Hart 38, both of which are smut and rust resistant and show an increased yield over the old varieties.

Alfalfa came in for its share of interest, and California Common which originally comes from Chile, proved the highest yielder over many strains being tested.

Outstanding among the new range grasses is the Harlan Brome from Argentina, and the revival of the lod native grasses, Nodding Stipa and Purple Stipa and Peren Veldt Grass.

The first name given by a European to a place on the American mainland was Florida—given by Ponce de Leon in 1513.

Police Program For Traffic Safety

Since the end of gas rationing, traffic deaths have mounted alarmingly. In 1945, 28,500 persons were killed, 1,000,000 injured. There will be a much higher toll in 1946 unless all car owners drive safely and carefully in cars that are in safe mechanical condition. To curb the slaughter, the International Association of Chiefs of Police will launch a six week Traffic Safety Check program on May 15. The program will be conducted in all parts of the United States and Canada, with police officers checking the brakes, lights, tires, windshield wipers and horns of cars involved in accidents or traffic violations. Drivers are urged by the police to drive safely and courteously in cars that are mechanically sound, in order to reduce the shameful toll of automobile accidents.

Atom Item: Postage Stamps, $100,000

Logistic plans to supply 40,000 men on 150 ships at Bikimi have been completed down to the smallest detail — including $100,000 worth of postage stamps. The Navy's Service Division Eleven will supply 7500,000 barrels of black fuel oil, 500,000 gallons of aviation gasoline and 5,200 tons of dry food. Refrigerator ships will make regular runs between Pearl Harbor and Bikini to transport frozen meats and other fresh products. In addition, the group will be equipped to make all necessary repairs and alterations to target vessels between the first and second test. The problem of taxi service within Bikini lagoon will be handled by a fleet of several hundred small amphibious craft operated from two LSD's (landing ships, docks).

Five-cent pieces are again being minted with nickel, instead of the wartime copper and silver.

Patterson Demands Investigation

Representative Ellis E. Patterson called upon the Federal, State and city authorities to investigate and punish the vandals who desecrated a Jewish temple in Los Angeles recently and burned KKK crosses on the property of a Negro family and a Jewish fraternity at the University of Southern California.

Representative Patterson charged that these actions were not isolated acts of vandalism but a despicable importation of Nazi tactics into a great American community. "No decent American," said Representative Patterson, "will stand by in silence when such actions go on. This is not the forerunner of Fascism—it is Fascism. The government which has just victoriously concluded a war against Fascism and Nazism abroad must be swift in ferreting out any manifestations of the same spirit in our own country."

"Where is my BUTTER" .... MR. CANDIDATE?

"I'm just an ordinary working man. But I like butter. So does my wife. And my two kids.

"We haven't had a cube of butter in our home in three months. Who's getting my share?

"I'm asking you this question, Mr. Candidate, because you have blasted Congressman Jack Anderson's sincere attempt to bring butter and nylons and building materials and a score of other things back to us ordinary people.

"Jack Anderson says that the O.P.A. should control prices! But he also says that if the current prices aren't sufficient to allow goods to flow to my grocery store that something should be done about it. Anderson knows that farmers receive $10 for 5 gallons of cream. At this rate, the actual cost of butter would be 76 9-10 cents per pound, excluding labor. Creameries can't make butter at a loss. That's why there is no butter. Did you ever take the trouble to look up these facts, Mr. Candidate?

"You've done some big talking. But you've closed your eyes, even as you opened your mouth. You've said O.P.A. is fine just as it is. Maybe you like black markets. And certainly, everything you said indicated that you don't give a continental whether the ordinary people get butter and nylons.

"You're for the O.P.A. That's good. Anderson is for the O.P.A., too! But Anderson has the courage to stand up in Congress and say 'Something is wrong when the ordinary people don't get the things they need.' Jack Anderson is going to get me butter. He's going to get my wife nylons. And he's going to get *both of our votes!*"

CHRISTIAN SCIENCE

The subject of the Christian Science Lesson-Sermon for June 2nd is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced." The Golden Text is from the 73rd Psalm: "My flesh and my heart faileth; but God is the strength of my heart, and my portion for ever. For, lo, they that are far from thee shall perish" (26, 27).

Included in the sermon are the following citations:

Psalms 37: 39: "But the salvation of the righteous is of the Lord; he is their strength in the time of trouble."

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The weapons of bigotry, ignorance, envy, fall before an honest heart" (p. 464).

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did by a resolution of said Commission adopted on the 10th day of April, 1946, propose certain amendments to the Zoning Ordinance (Ordinance No. 120) of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

Addition of certain sectional districts maps to said ordinance, to be adopted as a part of said ordinance for the purpose of establishing the districts shown on said sectional districts maps, which sectional districts maps in the aggregate are set forth on a map which is entitled, "Tentative Map of the Twenty-fourth Unit of the Zoning Plan, County of Santa Clara, State of California", a certified copy of which map attached to a certified copy of this resolution is on file in the office of the said Commission in the Court House, San Jose, California, to which map reference is hereby made for the particulars thereof.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearing on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon; which times and places are as follows, to-wit:

1. At the hour of 3:00 P. M. on the 12th day of June, 1946, in the Commission Office in the Court House, San Jose, California.

2. At the hour of 3:00 P. M. on the 3rd day of July, 1946, in the Commission Office in the Court House, San Jose, California.

SANTA CLARA COUNTY PLANNING COMMISION.
NESTOR BARRETT, Secretary.
May 31, June 13.

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did by a resolution of said Commission, adopted on the 8th day of May, 1946, propose certain amendments to the Zoning Ordinance, Ordinance No. 120 of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To reclassify a now existing residential zone (R-E-B-4) zone (lot area requirement 1 acre) to an R-1:B-D zone (lot area requirement 8,000 square feet) which property is more particularly described as follows:

Commencing at a certain point at the intersection of the dividing line between Lots 7 and 10 of the Daves Tract with the north line of Daves Avenue; and running thence along said line between lots 7 and 10 northerly seventeen and ninety-eight hundredths (17.98) chains to the line between land of Daves and Albright and running thence westerly along said line between land of Daves and Albright six and seventy-four hundredths (6.74) chains to a line between lots nos. 6 and 7 of said tract, and thence southerly along said last mentioned line seventeen and seventy-four hundredths (17.74) chains to the north line of the aforesaid Daves Avenue; thence running easterly and along said north line of said Daves Avenue six and seventy-three hundredths (6.73) chains more or less to the point of beginning. Being lot 7 of the Daves Subdivision of the Rancho Rinconada de Los Gatos, surveyed by Herrmann Bros., containing 12 acres of land more or less.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon.

1. At the hour of 2:30 P. M. on the 12th day of June, 1946, in the Board of Supervisors Chambers at the Court House, San Jose, California.

2. At the hour of 2:30 P. M. on the 3rd day of July, 1946, in the Board of Supervisors Chambers at the Court House, San Jose, California.

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did by a resolution of said Commission adopted on the 10th day of April, 1946, approve certain proposed amendment to Ordinance No. 120, the County Zoning Ordinance, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To designate Campbell Avenue in the town of Campbell between San Jose-Los Gatos Road and Santa Clara-Los Gatos Road as a major highway and to establish thereon a building line, which said building line will run parallel to the center line of Campbell Avenue as the same is now established and will be fifty (50) feet distant from said center line on the north and south of said center line. Said proposed amendment consists of an addition to Section 27, of said Ordinance No. 120 of a new paragraph, Paragraph 8 which reads as follows, to-wit:

8. Campbell Avenue: Fifty (50) feet from the centerline thereof, on each side thereof, for that section of Campbell Avenue lying between San Jose-Los Gatos Road (State Highway) and Santa Clara-Los Gatos Road.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon, which times and places are as follows, to-wit:

1. At the hour of 3:00 P. M. on the 12th day of June, 1946, in the Board of Supervisors Chambers at the Court House, San Jose, California.

2. At the hour of 3:00 P. M. on the 3rd day of July, 1946, in the Board of Supervisors Chambers at the Court House, San Jose, California.

SANTA CLARA COUNTY PLANNING COMMISSION,
NESTOR BARRETT, Secretary.
May 31, June 13.

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Santa Clara, will hold a public hearing in the Chambers of said Board on the second floor of the Court House, San Jose, California, on the 17th day of June, at 11 o'clock for the purpose of considering the action of the County Planning Commission in denying the application of M. S. Keesling for a change in the Twenty-second Unit of the Zoning Plan so as to establish a manufacturing (M-2) district on property now located in a residential (R-1:B-D) zone, said property being bounded by Hamilton Avenue on the north, Southern Pacific on the south, and by the lands of Eisentraut on the west.

LEGAL

ORDINANCE NO. 253

AN ORDINANCE OF THE COUNTY OF SANTA CLARA, STATE OF CALIFORNIA, APPLYING CERTAIN REGULATIONS TO THE ERECTION OR CONSTRUCTION OF CERTAIN BUILDINGS, STRUCTURES AND IMPROVEMENTS AND TO CERTAIN USES OF LAND IN CERTAIN AREAS, PENDING THE ADOPTION BY THE BOARD OF SUPERVISORS OF SAID COUNTY OF PRECISE ZONING PLANS FOR SUCH AREAS; AND PRESCRIBING THE PENALTIES FOR THE VIOLATION OF ANY OF THE PROVISIONS HEREOF, AND DECLARING THIS ORDINANCE TO BE AN URGENCY MEASURE, TO TAKE EFFECT IMMEDIATELY.

The Board of Supervisors of the County of Santa Clara, State of California, do ordain as follows:

SECTION 1. The Board of Supervisors of the County of Santa Clara, State of California, having adopted a zoning ordinance under the provisions of which zoning ordinance precise zoning regulations may be applied in any unincorporated area of said county, said Board of Supervisors hereby declares it to be its intention to instruct the County Planning Commission to proceed to prepare zoning studies for certain portions of the unincorporated territory of said county, and to adopt zoning plans for said portions of the unincorporated territory of said county in the manner prescribed by law. Said Board of Supervisors hereby finds that, owing to the territorial extent of said portions of the unincorporated territory of said county, the diversity of interest therein and the necessity for the making of maps and of careful studies and a thorough analysis of facts in the preparation of the aforesaid zoning plans, considerable time will necessarily elapse before the adoption of said plans and that certain regulations of an interim or emergency nature are necessary to be adopted at this time in order to protect the public interest, health, comfort and convenience and to preserve the public peace, safety and welfare pending the preparation and adoption of the aforesaid zoning plan. Said regulations are hereafter in this ordinance set forth and constitute Section 2 thereof.

SECTION 2. No person, firm or corporation shall hereafter within those portions of the unincorporated territory of said county of Santa Clara which are set forth, and specified in Section 3 of this ordinance erect or construct any building or structure designed and/or intended to be used or occupied for any use other than a single family dwelling, or establish any multiple family, auto court, commercial or industrial business or use until a permit therefor shall first have been secured from the Board of Supervisors of said county. Application for any such permit shall be made to the Board of Supervisors of said county. Said application shall be referred to the County Planning Commission and said County Planning Commission shall consider in detail any such application within fifteen (15) days after the filing thereof and shall thereupon report its recommendations with respect thereto to the Board of Supervisors. Said Board of Supervisors shall consider such application and report at its next succeeding meeting following receipt of such report from the Planning Commission. Said Board of Supervisors may issue such permit if it shall find that the proposed building and/or structure, and its occupancy and use will not be detrimental to the character or development of the aforesaid territory and will not otherwise adversely effect the welfare of said territory and/or said county.

SECTION 3. The portions of the unincorporated territory of the said county which are referred to in Section 2 of this ordinance are as follows, to-wit:

All that portion of the County of Santa Clara, State of California, lying westerly of the unincorporated Campbell District which is more particularly described as follows: Beginning at the point of intersection of the easterly line of the lands of the Santa Clara Valley Water Conservation District with the center line of the San Tomas Aquino Creek; running thence southerly along the said easterly line of the lands of the Santa Clara Valley Water Conservation District and the easterly line of the lands of Arthur and Katherine Fantozzi, and the lands of Marion H. and Dorothy Harp, and the lands of E. I. Barron to its point of intersection with the northerly line of Lovell Avenue, running thence westerly along the northerly line of Lovell Avenue to a point where the easterly line of lands now or formerly belonging to Quadro would intersect said line of Lovell Avenue if prolonged northerly; running thence southerly along said prolongation and the easterly line of said Quadro 8.33 1/3 chains to a point; said point being on the westerly prolongation of the southerly line of the Munro tract, which said tract is recorded in the office of the

LEGAL

County Recorder of Santa Clara County, California, in Volume 4 of Maps, page 22; thence easterly along said prolongation and the southerly line of the Munro tract to a point on the westerly line of the lands now or formerly belonging to E. I. Barron; thence southerly along the westerly line of the lands now or formerly of E. I. Barron, to the southwest corner thereof; thence easterly along the southerly line of the lands of Barron and their prolongation easterly to the east line of the San Tomas Aquino Road; thence northerly along the easterly line of the San Tomas Aquino Road to its intersection with the prolongation easterly of the south line of Lovell Avenue; thence easterly along said prolongation of the south line of Lovell Avenue to a point where the same is intersected by the southerly prolongation of the easterly line of the Hazelwood Tract, which said tract is recorded in the office of the County Recorder of Santa Clara County, California, in Volume 7 of Maps, Page 20; thence northerly along said easterly prolongation along the easterly line of the Hazelwood Tract to the center line of San Tomas Aquino Creek; thence generally westerly along the center line of the San Tomas Aquino Creek to the point of beginning.

SECTION 4. It shall be the duty of the sheriff of the County of Santa Clara, State of California, and of all officers of said County herein and/or otherwise charged by law with the enforcement of this ordinance to enforce this ordinance and all the provisions of the same.

Any person, firm or corporation, whether as principal, agent, employee or otherwise, violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than three hundred (300) dollars or by imprisonment in the county jail of said County of Santa Clara for a term not exceeding three (3) months or by both such fine and imprisonment. Such person, firm or corporation shall be demed guilty of a separate offense for each and every day during any portion of which any violation of this ordinance is committed, continued or permitted by such person, firm or corporation, and shall be punishable as herein provided.

SECTION 5. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, sub - section, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, sub-sections, sentences, clauses or phrases be held invalid.

SECTION 6. This ordinance is hereby declared to be an urgency measure and shall be in full force and effect immediately upon its adoption. The facts constituting such urgency are as follows:

The unregulated erection or construction of buildings or structures designed and/or intended to be used or occupied for multiple family, auto court, commercial or industrial purposes, and the unregulated establishment of multiple family, auto court, commercial or industrial business or uses within the aforesaid portion of the unincorporated territory of said county would injure the public health, safety, peace, comfort and general welfare of said county and particularly of the neighborhood within said territory. The Board of Supervisors of said county believes that various persons intend to erect or construct such buildings or structures for such uses, and to establish such business or uses within said territory and that said persons will do so unless prevented from so doing by the immediate adoption of this ordinance.

Passed and adopted by the Board of Supervisors of the County of Santa Clara, State of California, on the 20th day of May, 1946, by the following roll-call vote:

AYES: Supervisors, Brown, Pfeifle, McKinnon, Wool, Cooley.

NOES: Supervisors, None.

ABSENT: Supervisors, None.

C. P. COOLEY,
Chairman of the Board of Supervisors of the County of Santa Clara, State of California.

(Seal)

Attest: ALBERT J. NEWLIN,
County Clerk and ex-officio clerk of the Board of Supervisors of the County of Santa Clara, State of California.

By RICHARD OLSON,
Deputy Clerk.

"Voice of the Turtle" Next Attraction

"The Voice of the Turtle", the John van Druten comedy produced by Alfred de Liagre Jr., comes to San Jose on Monday evening, June 17, as the final stage attraction of the winter nad spring season under the Denny-Watrous management, direct from three months in San Francisco. Since its opening on Broadway four seasons ago, "The Voice of the Turtle" has had a record of capacity houses everywhere, two companies on the road, one still playing in New York, and a fourth planned for London in the fall.

As the company which has been playing in San Francisco heads back East, via San Jose, to Los Angeles and the Northwest, producer de Liagre begins the coming season with a new cast, personally chosen by him, starring Phyllis Ryder, Boyd Crawford and Marcia Walters. Many actresses have played the role of Sally Middleton since "The Voice of the Turtle" opened in New York, and Mr. De Liagre prophesies a top-brilliant success for his latest find, Phyllis Ryder.

Tickets for the "Turtle" are now on sale at the Denny-Watrous box office, San Jose Auditorium.

Ada Rebekahs Convene

Ada Rebekah convened Tuesday evening, May 21, with Neva Kenny, noble grand presiding. During the business meeting the delegates gave very interesting reports on the Grand Lodge session held at Santa Cruz. Second nomination of officers was held. Visitor for the evening was Leota Upton from Palo Alto.

Plans are being made for initiation June 18; also plans for a rummage sale to be held August 29, 30, and 31. Members are requested to collect articles for the sale.

Next regular meeting will be June 4; drill practice to be held after lodge.

Cherry Picking Maximum Rate Set

One dollar an hour or four cents a pound are the maximum rates allowed for picking cherries during the coming season in Santa Clara, Santa Cruz, San Benito, Alameda, Monterey, Napa, and Sonoma counties, and the portions of Solano and Contra Costa counties west of the Mt. Diablo meridian, cherry growers, workers and picking contractors were reminded by John E. Cootor, executive officer of the California USDA Wage Board. If a container rate is set, it must be computed on an equivalent basis.

Any lower rates agreed upon between an employer and his workers may be paid, but the maximum rates which are established by a U. S. Department of Agriculture specific ceiling order can not be exceeded legally without permission of the wage board. In cases where difficult picking conditions in a particular orchard create an unusual hardship for the operator and workers, application may be made to the wage board for an individual adjustment that will raise rates to a point where they will equalize earnings with the general run of pickers' incomes in the community, Cooter pointed out.

It is planned to hold a couple of meetings with Santa Clara County growers and workers before the general cherry harvest begins, to discuss administration of the ceiling program. Similar meetings in cherry districts last year were very helpful, Cooter said Times and places for this year's meetings will be announced later.

Growers who expect to need wage adjustments may contact the wage board through its field representative, Roy B. Lausten, 1966 University Ave., Palo Alto; telephone 6372, or may apply directly to the State office 2181 Bancroft Way, Berkeley, Cooter said.

Specific wage ceilings that were in effect last year for other harvesting operations also remain unchanged, he added. Picking and cutting apricots and peaches and such fall operations as prune and tomato picking are among a number of harvest operations where wage rates are under specific regulation.

Box Office Reporter

Co-billed on tonight's and tomorrow's program at the Campbell Theater is "Murder in the Music Hall", a murder drama in which Verna Hruba Ralston combines her skating and her dramatic ability in a way to satisfy the demands of the film-going sleuths.

The acting of the principals is good and the story is represented in an interesting manner.

The action takes place during an evening's performance of an ice revue. A former director of an ice show is found murdered. Miss Ralston and other skaters from the show become involved in the case. She and the conductor of the orchestra, William Marshall, try to find the murderer before the police inspector does. The murderer's identity is disclosed when she hums a tune which the dead man had composed.

Ann Rutherford, as an understudy, and William Gargan, as the police inspector, are outstanding among the supporting players. Herman Miliakowsky was the associate producer and the direction was by John English. The screenplay of Frances Hyland and Laszlo Gorog was based on the original story by Arnold Philips and Maria Matray. The ice numbers, attractive presentation of figure skating which add entertainment value, were photographed by John Alton and were under the direction of Fanchon.

Warrant Issued

Cecil P. Hughes, 22, of Campbell, was charged with felonious drunken driving in a warrant issued by Judge Grandin H. Miller as a result of the death May 4 of Fred G. Barnes who succumbed to injuries received in an automobile accident.

Campbell Girl Queen of Spardi Gras

A Campbell girl, Barbara Jensen, was elected by her classmates at San Jose State College to rule as queen of the annual spring college festival, Spardi Gras, last weekend. Sharing honors with her was Ken Edwards of San Francisco, selected king.

The heralding of trumpets and a rifle salute opened the coronation procession on Saturday at 12:30 in the college inner quad. In the evening at the coronation ball, the king and queen led the grand march.

Miss Jensen is the daughter of Mr. and Mrs. Henry Jensen, 575 Apricot Way. The attractive brunette is a sophomore at San Jose State College.

The trees of the Petrified Forest, Calistoga, are silicified and opalized redwoods.

Legion Has Successful Poppy Day

The Campbell American Legion Auxiliary, No. 596, through the courtesy of The Press, wishes to express its sincere thanks and appreciation to the citizens of Campbell and its vicinity for their courtesy and cooperation in making the Poppy Drive a great success.

Receives Commission

Alvin L. Bonds, son of Mr. and Mrs. R. J. Bonds, who was admitted to the officer candidate school in Fort Monmouth, New Jersey, received a commission as second lieutenant in the Signal Corps at graduation exercises there May 17.

The town of Emeryville in Alameda County was incorporated December 8, 1896.

Lennon Seeks Position of Auditor

Edward F. Lennon, candidate for Auditor of Santa Clara County at the June 4 primary election, is seeking office on the basis of his background and experience, he revealed this week in a formal statement while conferring with local civic leaders and friends.

"I am asking for election as Auditor of Santa Clara County because I sincerely believe my background, both my education and experience, fully qualifies me for the position," said Lennon. "All of my work, college and business, has trained me for such a job."

Lennon, an Army veteran of World War II, was formerly with the San Jose office of the Internal Revenue Department, where he served as deputy collector. He is now associated with Milton L. Petite in the public accountant firm of Petite and Lennon in San Jose.

A member of a prominent Santa Clara Valley family, Lennon, 39, attended Santa Clara University, where he majored in Business Administration and Accounting. His elementary education was received in San Jose schools.

He was well-known during his high school and college days as a baseball player. He subsequently played one year of professional baseball with Salt Lake City in the old Utah-Idaho league.

Annual Picnic

Teachers at the Campbell Elementary school and the school's trustees held their annual picnic last Tuesday evening at Alum Rock Park.

Catala Style Show Planned

A colorful fashion show and Spring fiesta will climax the current term's activities held by the Catala Club of the University of Santa Clara. Scheduled for June 5, the event will be held in the historic gardens of the University.

Theme of the show, which starts at 2:15 p. m., will be "Fashions Coast to Coast", with every section of the United States represented in a round-the-clock display of styles. San Jose and Santa Clara merchants will sponsor the show, and Mrs. Deb Bihn will serve as commentator, assisted by Mrs. Mervil Willoughby.

Tarlow's Fur Store, which furnished the furs shown in Rachel's recent style show, will have their own models to show the latest furs.

48½ HOURS San Francisco-Chicago on the daily OVERLAND LIMITED

STARTING JUNE 2

Over the High Sierra by daylight!
NO EXTRA FARE!

Eastbound Overland Limited descending from 7000-foot Donner Summit in the High Sierra. Donner Lake below. (Drawn by Amado Gonzalez.)

Starting June 2, from San Francisco and Chicago, the *Overland Limited* will speed daily between those cities in 48½ hours eastbound, 49⅓ hours westbound—fastest no extra fare schedule in history for this run. Half a day faster than pre-war the new schedule gives you a daylight trip over the spectacular High Sierra both ways.

STREAMLINED PULLMANS AND CHAIR CARS TO CHICAGO

The new, faster *Overland Limited* will carry streamlined Pullmans and chair cars to Chicago. As additional light weight cars can be obtained from the builders, the *Overland Limited* will be completely streamlined with the most modern equipment. In the meantime, lounge cars, dining cars and coffee shop cars on this train are being refurbished and redecorated for the faster service starting June 2.

Here is the sensational new schedule of Southern Pacific's *Overland Limited*—the first time in history, remember, that such fast service has been provided *without extra fare!*

EASTBOUND	Starting
Lv San Francisco (Ferry) . .	11:30 a.m. June 2
Lv Oakland (16th St.)	12:09 p.m. June 2
Lv Sacramento	2:20 p.m. June 2
Lv Reno	7:30 p.m. June 2
Ar Ogden (PST)	6:15 a.m. June 3
Ar Chicago	2:00 p.m. June 4

WESTBOUND	Starting
Lv Chicago	3:00 p.m. June 2
Lv Ogden (PST)	7:40 p.m. June 3
Ar Reno	6:28 a.m. June 4
Ar Sacramento	11:30 a.m. June 4
Ar Oakland (16th St.)	1:42 p.m. June 4
Ar San Francisco (Ferry) . .	2:20 p.m. June 4

48 hours to St. Louis. Starting June 2, the *Overland Limited* will carry a through streamlined Pullman to St. Louis, arriving there at 1:40 p. m., more than 18 hours faster than at present.

Through Pullmans to New York will continue to be carried on the *Overland Limited*, but after June 2 the through schedule will be much faster.

FASTER PACIFIC LIMITED

Starting June 2, *Pacific Limited* will operate on much the same schedule as the present *Overland Limited*, between San Francisco and Chicago. Standard Pullmans to Salt Lake City, Denver, Omaha and Chicago. Club car.

Through Pullman to Washington, D. C., will be carried on the *Pacific Limited* starting June 2.

FASTER CITY OF SAN FRANCISCO

Starting June 2, this crack extra fare streamliner will be back on its pre-war 39¾-hour schedule between San Francisco and Chicago. The *City of San Francisco* leaves San Francisco every three days, arrives in Chicago at 10:15 the second morning.

FASTER SAN FRANCISCO CHALLENGER

Popular economy train for chair car and tourist passengers exclusively, will also be speeded up.

FASTER GOLDEN STATE LIMITED

48 hours, Los Angeles to Chicago!

No extra fare for this daily 48-hour schedule between Los Angeles and Chicago on the *Golden State Limited*, starting June 2. The *Golden State Limited* will carry all streamlined Pullmans and chair cars to Chicago, through Pullman to New York.

A 39¾ hour, extra fare Streamliner to run between Los Angeles and Chicago three times a week is also planned. We hope to have this train for you early in 1947.

FASTER SUNSET LIMITED

49¾ hours, Los Angeles to New Orleans!

No extra fare for this new daily schedule—fastest train time in history between Los Angeles and New Orleans—starting June 2. The *Sunset Limited* will carry Pullman cars, chair cars, lounge car, dining car and coffee shop car. The *Argonaut*, on this route will be faster, too.

New Sacramento-Los Angeles Daylight. Starting June 2, a through streamlined *Daylight* will go into daily service between Sacramento-Stockton and Los Angeles.

What it all adds up to is this—Southern Pacific and its connecting lines are stepping out in a sincere effort to give the finest train service ever offered to the East.

S·P The friendly Southern Pacific

IN MEMORIUM, WORLD WAR I

Over in France they are sleeping,
Each one in his lowly bed,
Yet down thro' the years, will go marching
The ranks of our Hero Dead.

They have gone from their loved Homeland,
From their mothers, their sweethearts, their wives,
To march under Liberty's banner,
And have laid on her altar, their lives.

They have gone from our sight forever,
Yet still, shall their martial tread,
Go echoing thro' the halls of time,
Footsteps of our Hero Dead.

—CLARA BEEBE BALDWIN.

Campbell Man Takes Bride

Willow Glen Methodist church was the scene Friday evening of a double ring ceremony in which Roland McFall, son of Mr. and Mrs. G. A. McFall, Campbell, took as his bride Miss Suzanne Williams, daughter of Mr. and Mrs. Jack Williams of Willow Glen. Officiating at the ceremony were the Rev. Lawrence J. Osborne of the Campbell Methodist church and the Rev. Ezell Cox, minister of the Willow Glen Methodist church.

The bride, given in marriage by her father, wore a white satin wedding gown with a long veil and train. She carried a fan of gardenias and bouvardia. Her matron of honor, Mrs. Dale Austin, and her bridesmaids, Miss Nadine Neel, Miss Jean Louise Baltz, Mrs. Howard Brucks and Miss Jean Astarita wore gowns of blue and pink net and carried muffs of gardenias.

Performing the best man's duties was the bridegroom's brother, Harold McFall, and ushers were another brother, J. A. McFall; the bride's brother, Bob Williams, Dale Ausit and the benedict's nephew, Ray Whitlock.

Following the ceremony a reception for more than 200 guests was held at the home of the bride's parents in Willow Glen.

Yosemite National Park was the choice of the young couple for a wedding trip and for her going away costume the bride wore a grey wool suit, with a fur coat and fur bag and white accessories. The newly-married pair are now at home in Willow Glen.

Has Emergency Appendectomy

Miss Judy Ackerman, small daughter of Mr. and Mrs. C. L. Ackerman, is convalescing at home following an emergency appendectomy. Her brother, Donald, has also been ill with the flu.

Swine and poultry declined about 50 per cent in European countries during the war.

Wedding Planned For Saturday Evening

Invitations are in the mail for the wedding of Miss Lena Turturici, daughter of Mrs. Mary Turturici, to Corporal Edward W. Taylor, son of Mr. and Mrs. E. W. Taylor, on Saturday evening, June 1, at St. Martin's church in the Burbank district. Following the ceremony a reception will be held at Holy Cross hall.

The bride-elect is a graduate of the Campbell Union High school and the bridegroom has recently returned after four years in the Pacific theater. At present he is stationed in San Luis Obispo where the young couple will make their home.

MR. AND MRS. PETE SPRAGIA, Proprietors

Legion Celebrates Birthday

By D. RIBBLE

Starting with a potluck dinner, the American Legion's second birthday party was a crowning success. Close to 200 persons participated in the happy event from suppertime on until the closing hour. The ladies of the auxiliary did themselves proud by spreading a bountiful tableful of good things to eat, bringing high praise from those nejoying the repast.

Reassembling later in the upper chambers, Commander Wilbur Mitchell rapped the gavel for order and then called upon the notable present to share honors with him on the speaker's rostrum. Mrs. Sydney Brannaman of Palo Alto, was presented as the next State president of the American Legion Auxiliary; Mr. Brannaman himself was next presented as 13th district commander for the current year; Mrs. Ray Wood was called to the platform and seated after being presented as president of the local unit.

Gene Sturdivant of Salinas was presented as vice-commander of the 13th district, and successor-in-office to Syd Brannaman. Elections will be held during the coming months and we of this area feel proud that local dignitaries will hold top positions in both the Legion and Auxiliary State units.

Membership rolls will close for the year Memorial Day, and a State-wide round up of signed cards will be flown to headquarters by plane, so every post can have last - minute memberships counted.

Comrades Bill and Frank Weeks supervised a drawing for—yes, honestly—nylons. Frank Weeks (no relation) drew first choice and selected the husky ham, passing up the nylons. (The editor has not been advised as to what happened when he got home). Commander Mitchell's wife drew second choice, and that was the end of the nylons. Other lucky persons were presented with mayonnaise, real butter, oleo and bacon.

A nominating committee of Bill Weeks, Louie Fortaine and Joe Gomes was named, to offer a roster of officers for the coming year. This list will be presented post members at the next meeting and elections will follow.

The commander stated that the following night (May 23) he would lead a group of initiates to San Joses 'Post 89 for a joint installation.

Assistant District Attorney Pete Lindsay reported late, and as a penalty was instructed to auction off the half dozen or so fine cakes left over from the supper. He did a splendid job and netted the traesury a tidy sum.

The auxiliary ladies were thanked, through Al Carter, for their donation to the ball team for new equipment.

Applications for membership from the following servicemen were submitted and accepted: John Phillip Smith, Henry William Hoelling, Ray Steve Bonds, Ainslee Kermit Bonds and Elvert S. Weeks.

A friendship card wa ssent Dan Clark, now hospitalized.

Lt. Hugh Rincon, victim of a recent plane smash-up was reported resting comfortably in Letterman Hospital. Extent of his injuries were not learned. To complicate matters, Mrs. Rincon is also a hospital patient at this time.

Mrs. Brannaman reported on the forthcoming poppy sales and asked full cooperation, which has already been guaranted by the auxiliary in generous measure.

Mrs. Wood boasted a membership of 99 in the auxiliary. Hardly had her report been submittd when Mrs. Frank Weeks rose and tendered the 100th membership card to Mrs. Wood.

District Commander Brannaman asked for a moment, in which he presented the Federal Bureau of Investigation Special Service Certificate to the post. Names were omitted in the presentation other than that "at least one member of the post had rendered the government and FBI valuable service in wartime." This award is not a common one and really is a valuable addition to the post's growing accumulation of recognitions.

The Footlighters play June 7 was announced as rapidly nearing the stage for presentation. This play will add to the building fund.

It was voted to join with San Jose, June 14, at an evening Flag Day parade, displaying the colors and standards of the Legion, Auxiliary, and Sons of Legion.

Howard Smith took occasion to pay tribute to Dan Clark for his efforts in establishing the post two years ago. Dan played a prominent role in signing up many of the members who now are taking an active part in Legion affairs.

Sherwood Rogers as captain of the Sons of Legion was introduced, after which Carl Nickel of Palo Alto was called upon for a few words.

It was gratifying to hear the report of the wheel chairs collected by Mrs. Beth Streck. Campbell Post was the first post in the State to join this movement, and gave Mrs. Streck her first Legion-contributed chair for veteran double amputees. Mrs. Streck now has collected and distributed more than 600 chairs, in a period of slightly over two years.

At the sound of the gavel to mark the closing hour, a rousing cheer was offered the Auxiliary ladies for their splendid dinner. Happy Birthday!

Country Womans' Club To Have Annual Picnic

The Country Womans' Club of Campbell will bring its year's work to at close with a picnic, to be held at Los Gatos picnic grounds on Monday, June 3. Members will assemble at the club building at noon, so transportation can be arranged and ready to start for Los Gatos by 12:30 sharp. Bring table service for each one in your party. A silver collection will be taken up for the famine relief of the war-torn peoples. Mrs. Guy Farley heads the committee as chairman, and promises all a good time.

Lyon Tells Legislative Committee Levies Destructive

Speaker Charles W. Lyon, appearing as a witness before the Assembly interim committee on State and local taxation, declared that there is a ceiling on everything but taxes, and warned that the power to tax remains the power to destroy.

"The un-American doctrine of spend, spend, spend and tax, tax, tax, seems to have spread from Washington like an epidemic," he told the committee, "and is now plaguing the states and many of their political subdivisions, down to municipalities.

"The power to tax remains the power to destroy, and the high-road to destruction of free enterprise, particularly as represented by small business, is excessive taxation. Government must then take over, and that means Communism.

"We had a tax, tax, tax and spend, spend, spend administration in Sacramento when Olson was governor. To combat his proposed taxing and spending orgy, we of the Legislature had to organize the Economy Bloc, of which I was assigned the leadership, and we not only blocked the Olson administration's attempt to burden the people with unnecessary taxes, but were able to make substantial reductions.

"We have continued to hold the line at Sacramento, and make even further reductions, particularly in those levies upon individual taxpayers, such as the sales tax and the income tax, and have set an example to the nation.

"And what do we find? A disposition on the part of other taxing units to levy at will any form of taxation that promises quick returns to meet the ever-rising cost of government under this policy of spend, spend, spend.

"We cut the sales tax one-half of one per cent to effect a saving of millions of dollars to the people of California. In a number of instances this cut has been restored by other taxing units, and with more taxes added on top.

"In my opinion there is but one remedy, and it certainly is not spend, spend, spend. It is just the opposite. The strictest economy in government, and not more government, but less, and always with less spending. It is the only woy out for the prosperity of State and Nation in the good American way."

Kilmartin Seeks Coroner's Job

Thomas F. Kilmartin, candidate for Coroner and Public Administrator of Santa Clara County at the June 4 primary election, a resident of Santa Clara County for 38 years, has long been active in civic and county affairs.

In 1934 he was appointed code administrator for the 47 Northern California counties when the automobile business was operated under the NRA. During the period of World War II Kilmartin represented the U. S. Treasury in all war bonds campaigns in this and four other counties.

Kilmartin also served as chairman of War Price and Ration Board 32-1 in the Civic Auditorium in San Jose. He is a member of the San Jose Chamber of Commerce and the Santa Clara County Fair Association.

Kilmartin is seeking public office for the first time, he said today. He was appointed to his present position as chief deputy coroner by Mrs. Jessie A. Spaulding, now retiring.

Mrs. Jessie A. Spalding, retiring coroner of Santa Clara County, issued an emphatic endorsement of Kilmartin, to succeed her in office at the June 4 primary election.

"It is my privilege to wholeheartedly endorse the candidacy of my present chief deputy coroner, Tom Kilmartin, for the position of Coroner and Public Administrator, from which I am now retiring," said Mrs. Spalding.

"Mr. Kilmartin is fully qualified for this office. He is experienced, trained and capable of performing the many and varied duties involved. His record as chief deputy cononer has been outstanding. I have only the highest praise for the manner in which he has carried out the functions of this office.

"It has been brought to my attention that Mr. Kilmartin's opponent is supplying the public with misleading information. This man is not an employee of the coroner's office. He has not been an employee for quite some time. He quit when I refused to accede to his demands that I resign immediately and recommend to the Board of Supervisors his appointment."

Camp Fire Girls

Last Friday the Ocawasin group had a very special treat. They visited O'Brien's new and modern candy factory in Santa Clara. Mrs. Richardson, Mrs. Miller and Mrs. Cline took us.

A white coated guide met us at the door and took us through the factory. We watched them make and pack their delicious nut brittle and almond crunch. No one hesitated when the guide invited us to sample it.

—Mary Lou Cline.

Ding Dong Dimes On D-Line

San Francisco has joined the ranks of cities charging a ten-cent fare on its street cars. Tokens and tickets, however, may be bought three for 25 cents, reducing the fare to 8 1/3 cents. The fare before the raise was seven cents and until the war was only five cents. The added revenue will be used to rehabilitate the war-battered system.

Cuba has the world's smallest frog and the world's smallest bird.

State G. I.'s Get Prompt Action

Prompt action for the third group of San Jose State GI students who have requested the help of Congressman Jack Anderson in expediting their subsistence pay, was confirmed recently in a letter from Colonel T. J. Cross, acting deputy administrator of the Veterans Administration in San Francisco.

Twenty-three ex-service students at State who had not received subsistence payments since applying, were assured immediate attention to their cases of Colonel Cross, who wrote Congressman Anderson that an investigation of the cases had been ordered immediately upon Andersons' request.

Delay in obtaining service data from service departments was listed by Colonel Cross as a principle reason for the excessive waiting period.

Anderson, who returned by United Airlines from Washington, D. C., Friday evening, will accompany other members of the Naval Affairs committee to inspect the site of the proposed Del Monte post graduate academy for naval officers. The 8th District Congressman will fill several speaking engagements before the primary election.

Veterans Weekly News Column

One of the most important problems of the disabled veteran or the dependent of a veteran is the settlement of monetary claims upon the government due as a result of wartime service.

Improper filing of such claims or failure to notify the Veterans Administration promptly when a change of address occurs often leads to misunderstanding or delay in obtaining settlement.

If you have a question concerning a claim already filed or if you want to know whether you might be eligible to receive a pension, you should visit or write to your nearest Veterans Administration office.

Question: I am the stepmother of a veteran, who died in service. limit for filing a claim for penentrance into service. May I file a claim?

Answer: Yes, providing the relationship covered a period of at least a year and did not arise after the veteran became of age.

Question: I am a veteran of World War II. Is there any time He was in my care prior to his sion for disability caused by my war service?

Answer: Not under existing legislation.

Question: Under what circumstances is a parent considered a dependent for the purposes of filing a claim for pension?

Answer: Parents are dependents if they do not have an income sufficient to provide reasonable maintenance for themselves and members of their family under legal age.

Question: I have been told it would be a good idea to have my army service records moved to the city where I am living, so they will be handy in case I need medical treatment. Is this true?

Answer: Unless you filed a claim for disability pension at the time of discharge, your records would have been sent to the Adjutant General of the War Department. They will be released to the Veterans Administration if necessary to settle a claim, but not until that time. However, your service records are not required for you to obtain emergency medical treatment.

Question: How do I go about collecting my husband's insurance? He died recently as a result of a wound received on Okinawa.

Answer: Visit or write the nearest VA office. You will be assisted in filing a claim for insurance if your husband had a policy in effect.

Return From Vacation

Mr. and Mrs. Larry Pereira returned Sunday from a two weeks' vacation trip which took them to Yosemite National Park, Death Valley, and an excursion to the famous Scotty's Castle, Boulder Dam, Grand Canyon and Mexico. On their way home they stopped in Hollywood and went on a complete tour of Warner Brothers Studio.

150 Attend Cub Barbecue

Cub Scouts numbering nearly 60, den mothers, cub committeemen of Pack 9, and families and friends swelling the total to the 150 mark, gathered at the Blue Ranch on Casey Road, Sunday afternoon for one of the best attended meetings in local scouting.

Gathering at 2:30, baseball occupied the early part of the program, with den against den. Soon this grew tiresome and the youngsters issued a challenge to the mothers. During this three-inning session, some heavy slugging was seen and a side-line cheering section of fathers and children added to the gayety. Needless to say the young cubs enjoyed playing against their mothers, and came out on the winning end. George Jeffers umpired throughout.

Dads took up the challenge at this point and proceeded to put the young fry back into their place by thoroughly trouncing them in a few short innings.

Relay races were next on the program, with sprints the main attraction. Jackie Franzen won the finals and was rewarded with a prize. The three-legged race was one purely of upsets, and but one team crossed the line. Young Ribble and Goodell were declared the winners.

After a barbecue dinner Cubmaster C. E. Dalzell issued awards to deserving cubs. The webelo rank was attained by Danny Goodell and David Ribble, marking their approaching entry into Boy Scouts. Joseph Cabrell was awarded the wolf and bobcat honors; Tommy Hitchman received a silver arrow as did Harold Gardner; Ronald Colliers, bear badge; Philip Robba, silver arrow; Dick Dahms, silver arrow; Einar Neilson, silver arrow; Bob Pierce, gold arrow.

Throughout the afternoon the committeemen were at work, and at closing time announced the leaders for the coming year. Charles E. "Ed" Dalzell succeeded himself as Cub Master, with E. W. Fenley taking the past of assistant. Chairman of the Pack committee was Arthur H. Franzen with the following serving on his general committee: Eugene Hodges, Ray Gilpatrick, Ed Merrill and Hans Nielsen.

Den Mothers will be Blanche Gilpatrick, Irene Hodges, Nell Franzen, Mildred Applegarth and Beth Dalzell. This strong group of leaders will assure continued growth of cubbing in Campbell and place this community high in attainment.

Cub Master Dalzell paid tribute to those who had served with him during the year just closing, and thanked one and all for splendid cooperation given him. Den Mothers Mary Enderton and Elizabeth Ribble were given a cheer and rousing farewell as they announced retirement from cubbing; the former to join Col. Enderton in Germany and the latter to take up Campfire work after more than three years as Den Mother.

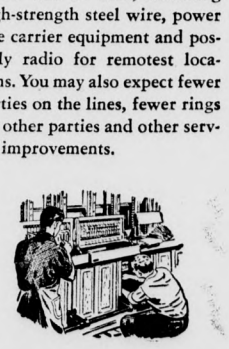
What our $400,000,000 five-year expansion program means to you

More than $100,000,000 Construction Planned for 1946

If you are waiting for a telephone . . . you may be certain that getting one to you just as rapidly as possible has top-priority in our plans. We are working full speed on buildings, cables, switchboards and other equipment needed to provide service for everyone who is waiting . . . and to make service even better for every telephone user.

If you are a farmer . . . you may expect the extension of telephone service in rural areas. New methods and new developments will be used, including high-strength steel wire, power line carrier equipment and possibly radio for remotest locations. You may also expect fewer parties on the lines, fewer rings for other parties and other service improvements.

If you use Long Distance . . . you may look forward to an even better and faster service than ever before. We are working on our part of a nation-wide coaxial cable network for long distance calls and television transmission. Equipment will be provided for nation-wide operator dialing of toll and long distance calls and for customer dialing of toll calls between some communities.



Thousands of jobs . . . millions of man hours of work . . . will be created by this program, the largest in our company's history. Our total plant investment will be increased to more than a billion dollars. For it is our purpose to provide an ever-widening, ever-improving telephone service . . . to grow with the West and to help the West grow.

Every day we seek to make telephone service even better than it has ever been before

GINGER CLAYTON,
WHOSE FIRST NAME IS ALSO SHIRLEY

Hailed by critics as "bigger and more beautiful than ever," the Shipstads and Johnson "Ice Follies of 1946" will present its San Francisco premiere at Winterland on June 12.

With a cast of 165, the 10th anniversary edition is composed of 10 lavish production numbers, interspersed by more than a score of specialty acts.

The "dream show of the entertainment world" will play a limited engagement in San Francisco before heading eastward on its annual tour of the nation.

Color, costuming, lighting effects, music, comedy and drama again vie for top honors in the new show.

New versons of old favorites, "The Swing Waltz" and the spectacular fluorescent numbers, are included among the major episodes while familiar stars to be seen in special acts include Evelyn Chandler, Roy Shipstad, Frick, Bobby Blake, Mae Ross, Bobby and Ruby Maxon, Hienie Brock, the Thomas Twins, Phyllis Legg, Betty Schalow, Harris Legg and Hazel Franklin.

Because of the heavy demand for tickets, George Campbell, Winterland manager, announces that choice seats will be made available to out-of-town residents through mail order. Checks or money orders,, with return envelope, should be directed to Winterland, San Francisco, designating number of seats, price and dates desired.

McDonald Speaks To Veterans

Speaking before the American Veterans Committee, Burlingame chapter, Charles H. McDonald, Democratic candidate for Congress, Monday told the veterans that their future was in their own hands.

Frank Campbell, president of the Burlingame group, introduced McDonald who shared the platform with Julius Kellar, head of the San Francisco American Veterans Committee.

McDonald pointed out that if members of the AVC are as alert to the problems of peace as they were to the dangers on the battlefield they will stimulate public demand for a more representative and progressive viewpoint from members of Congress.

The American Veterans Committee, which holds that the veterans' welfare depends on the general welfare of the nation, heard McDonald stress the point in his platform that there is no such thing as veterans legislation and that all legislation affecting the nation affects the veterans.

High point in McDonald's talk was his cold and biting attack on the incumbent congressman's record of voting on the great issues of the day.

"This man voted to cut the heart from the Patman Housing bill by killing the subsidy provisions designed to provide immediate and adequate housing to veterans and the public generally, but he did not hesitate to vote millions of dollars to the giant corporations in the form of tax rebates," commented McDonald with great emphasis. "With the lush funds made possible by these tax rebates powerful lobbies are fighting the OPA, the housing bill, Central Valley and other legislation of benefit to all the people," he concluded.

Visit in Long Beach

Mr. and Mrs. Warren B. Hewitt and their son returned Monday after a week's visit with friends and relatives in Long Beach.

Chronicle Praises Howser

An editorial in the May 18 San Francisco Chronicle says:

"Of the candidates for the important post of Attorney General of California, Fred Howser is by long odds the most thoroughly seasoned in the special knowledge and experience requisite to successful conduct of that office. Other things, ability, integrity and record of success being equal, this matter of experience should be the determining factor in the choice.

"The functions of the Attorney General are far more extensive than those of a simple prosecutor. They include legal counsel to governmental officers and bodies, State and county. From the Governor and Legislature down to the school trustees in the smallest district, the Attorney General, if he is familiar with governmental affair, can be very helpful. He is highly important to the Legislature.

"Fred Howser alone has the well-rounded experience for this. He served six years as Deputy City Prosecutor for the city of Long Beach; he was in the Legislature for two terms; he has been District Attorney of Los Angeles County since the beginning of 1943, first by appointment, then by election in 1944. Evidence of the general approval of his conduct of the office is the fact that he was elected at the primary by a majority of all votes cast."

Home from Pacific Grove

Miss Vivian Johnson is at home with her parents, Mr. and Mrs. Oliver Johnson of 26 Rincon Way for a few days. Miss Johnson is a teacher in Pacific Grove schools. Also enjoying her visit is her brother, the Rev. Herbert Johnson.

Honored at Luncheons

Board of directors of the Country Woman's Club recently honored the chairmen of the standing committees with a luncheon at the home of Mrs . Carl Field. On Tuesday, May 21, they gave a luncheon at Rickey's Studio Club in honor of Mrs. Field, outgoing president.

Frozen Desserts

Refrigerator ice cream can be just as smooth and creamy as ice cream made in the old fashioned ice cream freezer, says Winifred Jecker of the Agricultural Extension Service.

At the current series of demonstrations ice creams are made by a method which duplicates the electric refrigerator. To insure a creamy product in making ice cream in the electric refrigerator these tips are offered the homemaker.

1. Be sure there is not a heavy coating of ice on the refrigerator coils, better results are obtained if the refrigerator has been recently defrosted.

2. Do not attempt to make ice cream when the refrigerator is laded with food. It is better to make the ice cream a day ahead and set your control back to normal and then stock up the refrigerator.

3. Have the ice cream mixture thoroughly chilled before putting it in the freezing tray—best results are obtained when the mixture is chilled in the refrigerator from four to twenty-four hours before freezing.

4. Freeze as rapidly as possible. This may be accomplished by: setting the cold control at the coldest point prior to the freezing; placing the tray on the lower shelf of your freezing unit.

5. Do not open the refrigerator door unnecessarily during the freezing.

6. When the mixture is frozen to a mush either remove from the tray and beat until fluffy in a chilled bowl or else stir the mixture in the tray from back to front several times.

7. Continue freezing until firm and then set the control back to normal for ripening. If the ice cream is kept at too cold a temperature it will be hard and brittle.

Any ice cream, sherbet or water ice will be improved in texture by the addition of one teaspoon of unflavored gelatine to a quart of mixture. Soak the gelatin in two tablespoons of cold water before adding to the mixture (it should be dissolved in a few tablespoons of hot liquid first).

Custard ice cream utilizing eggs and milk or corn starch, eggs and milk yields a creamy product. It is possible to substitute one tablespoon of corn starch for each egg called in the recipe.

* * * *

Evaporated milk may be substituted in any recipe calling for whipped cream.

If four tablespoons of lemon juice are added to each cup of evaporated milk it will treble the volume. The ice cream and sherbets made with milk and fruit have a definite place in the diet during warm weather. The milk and eggs provide protein. Thin cream and evaporated milk yield desserts which are not too rich and can as a result be included often in the diet. A free bulletin, "Frozen Desserts',' is available upon request at the Agricultural Extension Service, 201 Post Office Building, San Jose, or call Columbia 3866.

Report on Effectiveness of 2,4-D:

Max Watson, County Probation Officer, has some remarkable results to show for the control of morning glory on his acreage of newly planted teasle off the Bayshore Highway.

Ferd Kraft, of Morgan Hill, reports that 800 square feet of morning glory in a control plot treated by L. C. Barnard and M. S. Beckley, of the Extension Service, with 2-4-D Weed Killer last July has given perfect control. This plot was located between vines and prune trees and was in full bloom at the time of treatment. The vines and trees adjacent to the plot which extended to within a few inches of the trunks showed no ill effects.

Printed leaflets on the use of this material, 2,4-D, can be obtained at the local office of the Extension Service, 201 Post Office Building, San Jose.

Faculty To Be Honored By Campbell High PTA

A reception for the faculty is being planned by the Campbell High school PTA. The party is scheduled for Wednesday, June 5, at 3:45 o'clock on the high school square. All parents are urged to attend this informal reception so that teachers and parents may discuss current problems and become better acquainted.

CALIFORNIA'S PUBLIC SCHOOLS ACKNOWLEDGED WORLD'S BEST!

Mother and Dad and Teacher . . .

"We esteem it a privilege to aid in the re-election of GEORGE R. REILLY to the State Board of Equalization. He has made an outstanding record in that office during the past eight years. Able, conscientious, he has applied thoroughgoing, practical business methods to his work.

"The First District's share of the $2,000,000,000 tax money received by the Board of Equalization during eight years past has been administered by Mr. Reilly at a cost of less than two per cent, an outstanding record in the economical and business-like conduct of public affairs."

EDWARD M. FELOWS,
Chairman, Santa Clara County George R. Reilly Campaign Committee.

YES, Mommie and Dad and teacher know that California's school system is the best in the country. Your public school system is mainly supported by the Retail Sales Tax . . . collected by the retail merchants and passed on to the State Board of Equalization for administration. Last year more than $135,000,000 in sales tax pennies were invested in your California public school system by the State Board of Equalization, at an astonishingly low administrative cost.

But that is not the only public service for which the State Board of Equalization is responsible. Highways and city streets are supported by the gasoline tax collected by the Board. The Board collects and administers Excise Taxes from distillers, rectifiers, and wholesalers, as well as alcoholic beverage license fees, the Motor Transport Tax; in fact, nine major taxes are administered by the State Board of Equalization.

Yes—your member of the Board of Equalization carries a great responsibility. That's why you should look to the record of the Board for the past eight years in order to select the right man for *YOUR* district Member of the State Board of Equalization.

Under George R. Reilly's direction the First District of the State Board of Equalization has collected and administered taxes at a total administrative cost of less than two percent. The First District leads all other districts for efficiency and low operational costs.

LET'S RE-ELECT George R. Reilly
INCUMBENT MEMBER FIRST DISTRICT

Recent Brides Honored

Mrs. Ralph Hyde and Mrs. E. Russell Kenedy were co-hostesses for a luncheon at the home of the former last Thursday. Honor guests were Mrs. Robert Hicks (Geraldine Lloyd) and Mrs. Frank Wilcox (Joan Kennedy). Tables were set with hand-made lace covers over color and the floral arrangements were from Mrs. Hyde's attractive garden. After the luncheon the guests played Dutch whist. The honor guests who are recent brides, and Mrs. Guy Farley who received high score were presented with gifts by the hostesses.

Annual Meeting of Red Cross To Be June 10

Fourteen members of the board of directors for the San Jose Chapter of the American Red Cross will be elected at the annual meeting of the organization on Monday, June 10, at 7:30 p. m. in the chapter house at 440 N. First St., San Jose. Outstanding accomplishments of the year will be reviewed and copies of the annual report distributed.

Convalescing at Home

Dan Clark is convalescing at home after returning from the hospital Sunday where he underwent an operation.

Community Council Meets

A joint meeting of Community Council and Youth Council was called to order by President Shadle at the Campbell High School Little Theater on May 23. The Youth Council is planning a program to care for all the youth of the district during the summer months, and hopes to make this a year round project.

Community Council unanimously elected Martin J. Walsh, manager for the 1946 Community Chest campaign. Shadle and Mrs. H. F. Cousins were retained as president and secretary, treasurer, respectively.

Ethan Lanphear, LBen Howard and Mrs. George Jeffers will act on the budget committee, meeting in the near future.

Mrs. Esther Johnson, of the Campbell Grammar school, made a plea for additional funds to help finance caring for children, who have been receiving daily meals. This matter is to be decided by the Relief Society, a subsidiary of the Community Council.

Season's Last Card Party Scheduled

St. Lucy's Women's Club will hold the last regular card party of the season on May 31 at the Parish Hall. Playing will start promptly at 2:15 and refreshments will be served.

with Susie Shopper

An idea for the girl graudate's gift is a manicure set. Clark's Drugs have them in Revlon, Cutex and Chen Yu. The Chen Yu polish and accoutrements are set in clever little rack, which would be convenient on the dressing table. Revlon and Cutex sets are in attractive cases, perfect for traveling and summer weekends.

* * * *

Big news at Rachel's! Just in are those favorite, indispensable blue denim play clothes . . . there are play suits (shorts and bras), pedal pushers and slacks. The bras are touched up with a bit of white rick rack and are quite irresistable. Denim always has seemed like the perfect fabric for play clothes . . . it can take the rough wear, it's always fresh and clean looking and it's color is flattering to anyone. You may want to pick up some white anklets too . . . Rachel says they're the best quality received in over a year.

* * * *

Campbell Hardware has some enormous, and I do mean enormous baskets, which you could, if you are terribly practical, use for clothes baskets, but which would be wonderful for any number of uses. They could be used as catch-all for the children's toys, or would be perfect in the patio for holding game equipment and magazines. They're very attractive and you'll probably dream up a need for one just so you can take one home.

* * * *

Want something different to use for indoor or outdoor eating? The House of Riches has stunning handmade terra cotta dishes, styled by Eugene White. Most of them are in the shape of leaves and they come in nice out doorsy colors. They are deep enough to be just right for some of those slurpy but heavenly barbecue dishes. Of course they are perfect for other uses, too—candy, flowers, nuts, and even ash trays.

* * * *

If you think girls get all the breaks in the way of cute clothes you haven't seen the new boys' suits at the Dresser Drawer. They are made of knitted mercerized cotton and are just the right weight for summer. The pants are short and come in solid colors—red, blue, yellow, aqua and brown. The tops, simply cut and flattering to any little boy, are either plain or striped.

* * * *

Susie Shopper is in disgrace at the Campbell Pharmacy—Coty is spelled with a "t" and not a "d" and Susie Shopper is very sorry. The gay little music box there would cheer anyone up, though. It's really a powder box and when the lid is lifted a lilting polka plays. It comes in a dainty shade of blue and would be an ideal gift for the girl graduate.

* * * *

The men's clothes at Benson's reflect Lowell's good taste and although his stocks are not complete, there are plenty of togs to catch the masculine eye. Particularly gay are the swim trunks and in such a variety that every type of man can find the selection of his choice. There are more or less conservative ones, Hawaiian block prints, some decorated with palm trees and, for the man who likes a bit of dash in his seashore styles, there are some beauties with tropical fish, and South Sea Island natives. Needless to say they come in almost any color you could think of. . . .

* * * *

Something new for that old favorite—ivy! They're ivy jugs made from half-gallon jugs cut off shortly below the handle and mounted on wooden bases. They're at The What Not, they're in a mellow amber and they're lovely. . . . If your child needs constant encouragement in the art of milk drinking a "Bug Bunny and His Pals" is the answer to your problem. The What Not have them in boxes and if you are uninitiated (as I was) I'll tell you what they are. They are bunnies, piggies and other small animals made to fit over the top of a glass and striped straws to fit through their mouths into the glasses so that the child is "drinking with Bunny". Included in the set are fanciful paper napkins sure to please any child.

Daughters Born

New babies continue to arrive to Campbell residents. This week Dr. and Mrs. Paul Werthmann are receiving felicitations on the arrival of a baby daughter, May 24 at O'Connor's Sanitarium. The new little arrival has two older brothers at home and, had she arrived two days earlier, would have caused a triple holiday in the family for the 22nd is her parents' wedding anniversary and her father's birthday.

News of another new arrival comes from Lt. and Mrs. J. Hugh Rincon who became the parents of a baby girl born May 22 at Stanford Hospital, less than a week after her father was seriously injured in the crash of a B17 en route from Clovis, New Meico, to the Bay area. Lt. Rincon, a patient at Letterman Hospital, is recuperating satisfactorily and if his condition continues to improve he may be allowed to return to Campbell at the same time his wife returns. Mrs. Rincon has been making her home with her parents here during Lt. Rincon's absence in New Mexico.

The baby has been named Sandra Leigh, and her grandparents are Mr. and Mrs. Harold Peck of Campbell, and Mrs. Alexander Morales of San Francisco.

Serve at USO

Members of the Country Woman's Club who served at the USO Thursday, May 9, were Mesdames D. H. Cramer, Anthony Jurras, Georgene Kidward, George Husted, Martin Walsh, H. F. Cousins, J. R. Locke, Carl Field and Ira Grim.

Young Would Have "Open Door" Policy

William H. Young, candidate for Sheriff of Santa Clara County, spoke before the American Federation of Labor Political committee at their meeting in the Labor Temple of San Jose on Wednesday, May 22. The committee consists of the Building and Construction Trades Council and the Central Labor Council.

V. A. Swain, acting chairman for the meeting introduced Young to the attending membership.

Young spoke on the position of the sheriff's office as pertains to labor difficulties. "An 'open shop' policy in the sheriff's office as concerns labor controversies will always be maintained when I am sheriff."

NO FUNERAL BILLS TO PAY!

Now, by taking advantage of this low-cost, state-supervised plan you can *eliminate* all worry of funeral and burial bills! Moreland Notes

* * * *

Moreland Loses Last League Game

Thursday afternoon, May 16, Moreland played Cambrian in a fast game of baseball. Cambrian's team has a fine pitcher and the Moreland boys had a hard time hitting his fast balls. The Moreland team's fielding was excellent however, and the first three innings were scoreless. However, in the "fatal fourth" things changed, making Moreland three runs and Cambrian six. The last inning was scoreless, so the "Bulldogs" beat the "Tigers", 6 to 3. This finished Moreland's league games.

The team included: pitcher, Richard Sisemore; catcher, Ned O'Hara, also Bobby Sunzeri; Dudley Hirschbach, Clarence Hill, De Soto Chagolla, Michele Chiechi, John Caravella; short stop, Dick Sakogawa.

* * * *

PTA Has a Barn Dance

Saturday, May 25, Moreland school had a barn dance. It started at 8:00 and ended at 12:30 p. m. Everybody was invited and many people came. There was sandwiches and punch for all.

The orchestra was made up of a violin, guitar and an accordian.

Although it rained the hall was crowded and we had a good time.

—Marion L. Dovalos.

Young To Have Parade and Dance

The William H. Young for Sheriff parade will be held in San Jose on the evening of June 3. This parade will be followed by a free dance at the Civic Auditorium in San Jose. Tickets for the dance may be secured by calling the Young for Sheriff campaign headquarters in San Jose, Columbia 8976J.

Representative of the various "Young for Sheriff Committees" from all over the county will participate in the parade. A sound truck will be operating at noon on the day of the parade, announcing the route of the parade.

In San Jose and Santa Clara the parade will begin at the end of Franklin St. in Santa Clara and proceed down the Alameda to First St. in San Jose, then to San Carlos and will end at the Civic Auditorium, where the dance will be held. William H. Young will address the gathering before the dance.

Campbell Girl Scouts

Troop 25 held their regular meeting at the leader's home Thursday, May 23. It was voted on that they would have an extra meeting each week so they could finish their Red Cross work.

The troop also voted to send a small plant to two of their members who are in the hospital, Adaline Fillmore and Elene Morin.

They studied artificial respiration and reviewed the previous work.

Sugar Provided For Extended Furloughs

Members of the armed forces on furlough may now be issued furlough rations of sugar by Office of Price Administration district offices for leaves up to 124 days, OPA announced.

Before today's amendment, effestive May 24, 1946, furloughed military personnel were issued regular sugar ration books when their leaves were for 60 days or more and were required to turn in the books upon expiration of their leaves. For furloughs less than 60 days, they were granted furlough rations.

The new action provides uniformity and relieves military personnel of the necessity of obtaining ration books when the furlough period does not exceed 120 days.

Fishbeins To Make Home In San Francisco

Dr. and Mrs. A. A. Fishbein, 4th Ave., will leave soon to make their home in San Francisco. Mrs. Fishbein has made her home in Campbell for the past two years while her husband was overseas with the Army. He returned last October.

New Home on Walnut Drive

As soon as their new home on Walnut Drive is completed, Mr. and Mrs. Walter O. Thurber, formerly of Los Angeles, will become Campbell residents. Thurber is a machinery and aircraft designer, and he and Mrs. Thurber have a small son, aged four.

Shad contains more bones than any other fish.

Champion Yearling Purchased in County

Walter Zeigler, Santa Clara County Dairyman on Homestead Road, has proved to be an excellent judge of dairy cattle. The California Guernsey Club holds a dispursal sale each year where yearling and aged are judged by secret ballot and then sold at auction. Mr. Zeigler was able to pick out the Goldy Junior Champion of the State at a reasonable price and this young lady lives at the Homestead Dairy now. Her name is Elm Lane Zeringa. Mr. Zeigler is to be congratulated on his sound judgment in picking dairy cattle, states M. S. Beckley of the Extension Service in charge of the livestock and dairy work.

Coroner Spalding Endorses KILMARTIN

COUNTY OF SANTA CLARA
CORONER AND PUBLIC ADMINISTRATOR
Hall of Records, San Jose, California
JESSIE A. SPALDING, Coroner and Public Administrator
Telephone: Ballard 361 . . . Day and Night

May 27, 1946.

VOTERS OF SANTA CLARA COUNTY:

It is my privilege to whole-heartedly ENDORSE the candidacy of my present Chief Deputy Coroner, TOM KILMARTIN, for the position of CORONER AND PUBLIC ADMINISTRATOR, from which I am now retiring.

MR. KILMARTIN is fully qualified for this office. He is EXPERIENCED, TRAINED and CAPABLE of performing the many and varied duties involved. His record as Chief Deputy Coroner has been outstanding. I have only the highest praise for the manner in which he has carried out the functions of this office.

It has been brought to my attention that Mr. Kilmartin's opponent is supplying the public with misleading information. This man is NOT an employee of the Coroner's office. He has NOT been an employee for quite some time. He QUIT when I refused to accede to his DEMANDS that I resign immediately and recommend to the Board of Supervisors his appointment.

MR. KILMARTIN brings to this office a fine background of business training and a thorough knowledge of civic requirements, gained in more than 25 years of public service in Santa Clara County.

Since being appointed Chief Deputy Coroner MR. KILMARTIN has SUCCESSFULLY proven his ability to handle the job of Coroner and Public Administrator.

I respectfully urge every voter in Santa Clara County to VOTE for and ELECT TOM KILMARTIN, Coroner and Public Administrator.

(Signed) JESSIE A. SPALDING,
Coroner and Public Administrator.
